Website Design and Internet Marketing: Building your Practice in a Digital World

Speaker: Zachary Ehrlich

<https://www.linkedin.com/in/ehrllichzachary>
zachary.ehrlich@doctorsinternet.com

Zach Ehrlich has been working in Digital Marketing since 2010 and has been with DoctorsInternet.com for the last five years. As director of business development and a Google Adwords specialist, Zach has extensive knowledge on how Google operates local searches relating to doctors. He is a certified Google Adwords partner, he likes to spend time outdoors, and his dad is a podiatrist.
