A lower price does not always guarantee a better product.

Don't be fooled.
Not all policies are the same.

Let us share with you the reasons we have been trusted by podiatrists for over 38 years.

Only medical professional liability insurance provider founded and led by a podiatrist.

Only podiatry-specific medical professional liability insurance provider with \$100,000 of administrative defense coverage – *available for any part of your ADC.*

Only podiatry-specific medical professional liability provider in the US rated A.M. Best A+ (Superior).

PICA is the **only** medical professional liability insurance provider endorsed by the New York State Podiatric Medical Association (NYSPMA).

PICA proudly supports the New York College of Podiatric Medicine with educational programs and annual scholarships.

PICA is focused on protecting **YOU** - the podiatrist.

Podiatry focused. Transparent pricing. Greater value.

Stop by the PICA booth at the NY Clinical Conference to learn what sets PICA apart from our competitors.

Our Policyholders Say It Best

“Experiencing a malpractice suit is stressful, but I had PICA in my corner to help me. My claims specialist and attorney supported me through the entire process. Their knowledge and experience with podiatry cases were vital to my positive outcome. I know I am insured by the best in the business. PICA is an insurance company that lives and breathes podiatry. They are up at night, so I don't have to be.”

JANUARY 24-26, 2020

THANK YOU TO OUR SPONSORS

The Foundation for Podiatric Medicine's NY20 Clinical Conference guarantees to provide the most state-of-the-art podiatric education including the latest proven practices within podiatric medicine and foot and ankle surgery.

NY20 assures innovative and engaging general lecture presentations by top faculty within the field of podiatric medicine and beyond imparting the most contemporary information and research. Programming will include a coding and billing seminar, interactive workshops for DPMs, a brand new Young Member's Institute track for residents and practitioners less than seven years out of their residency, a slate of topics and courses for podiatric office staff – and not to mention, the best educational lectures in the industry. Additionally, NY20 is the perfect occasion to meet and discuss the latest products and technology with our exhibitors in the Exhibit Hall, and during lunch symposia. We have added a brand new product theater in our Exhibit Hall to make it easy for attendees to learn about everything our exhibitors have to offer your patients and office.

Make sure to check out our NY20 website, nyspma.org/NY20 for more information about our continuing to evolve program, special events, pre-conference seminars, faculty, sponsors and exhibitors. Keep your eye out for Foundation emails with NY20 updates and opportunities!

NY20 will deliver the most cutting edge and "can't miss" podiatric medicine conference! Make sure you don't miss out – and save the dates!

VISIT BOOTH 511 AT NYSPMA

The Foundation for Podiatric Medicine and The American College of Foot and Ankle Surgeons Northeast Division is pleased to announce that we will be hosting a Residency Forum during its Young Member's Institute from 8am-3pm on Saturday, January 25th as part of the 2020 New York Clinical Conference. Our residency and Young Member's programming at our Clinical Conferences has been greeted with tremendous enthusiasm and serves as an opportunity to highlight the great training our residents receive. Take part in this annual interactive program as local residency programs present their complications and how they are treated. Plus, take advantage of the opportunity to give programs your insight on how to resolve their complications. Residents from the Tri-State area are invited to present on any type of complication from surgical, medical or diagnostic issues. Open discussion and questions will be encouraged. The audience may also bring complications that can be discussed as a group for treatment consensus or opinions. Residency Directors and/or Assistant Directors are encouraged to attend and participate. All Residency Directors/Assistant Directors must be registered for NY20 in order to attend the Residency Forum during the Young Member's Institute.

GROUND RULES

1. Residents may present a case complication via PowerPoint in one of three topics: Surgical, Medical, or Diagnostic
2. Each residency program is limited to ONE case presentation, limited to 8 MINUTES
3. A diagnostic dilemma should be identified in each case. We will then have an interactive discussion for 5 MINUTES led by the ACFAS Regional Board Members
4. Cases with some follow-up are encouraged, as they will foster a richer discussion.

Proposals should include the title of your presentation, name of resident presenting, and name of residency program. PROPOSALS FOR PRESENTATIONS SHOULD BE SENT TO ACFASNortheast@aol.com BY MONDAY, NOVEMBER 25, 2019. Attendees are eligible to earn up to six CECH for attending this event. The Seminar will be open to all conference attendees, with a special invitation extended to current students.

Please email Dr. Robert Fridman, DPM at rfridmandpm@aol.com with any questions.

An aerial night view of Times Square in New York City. The image shows a dense grid of skyscrapers with illuminated windows and numerous large, brightly lit billboards. In the center, a large orange rectangular overlay contains the text 'NY | 20' in a large, white, sans-serif font, with a vertical line separating 'NY' and '20'. Below this, the words 'REGISTRATION' and 'FORMS' are stacked in a smaller, white, sans-serif font. The background shows the iconic yellow taxis and red double-decker buses of Times Square, along with a large crowd of people on the sidewalks. The overall scene is vibrant and captures the energy of the city at night.

PODIATRIC CLINICAL CONFERENCE and EXHIBITION

JANUARY 24-26, 2020

NEW YORK MARRIOTT MARQUIS

GENERAL INFORMATION

CONTINUING EDUCATION

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a minimum of 22 continuing education contact hours (CECH)*.

In accordance with the requirements of the Council on Podiatric Medicine, the Foundation is required to monitor educational session attendance for verification of CECH.

*This number is based on attendance at all general lectures.

CECH Sign-in/Scanning Policy

Badges are bar coded with your personal information and must be scanned.

To ensure that the Foundation continues to provide you with a meaningful educational program, all attendees will be required to complete an electronic meeting evaluation in order to receive a CECH certificate and verification form. This form will be distributed via email following the conference. By registering, you are consenting to fill out an electronic evaluation survey.

Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate.

MEALS

Breakfast and lunch are designed to be free time for attendees to visit with exhibitors or attend ancillary sessions. Educational and non-educational sponsored lunches may be available each day for pre-registration. Please check www.nyspma.org/ny20 for updates and to register online.

SLEEPING ROOMS: \$219.00 S/D + TAX

A block of sleeping rooms has been reserved at the New York Marriott Marquis for NY20 attendees. Rooms may be reserved until Friday, December 27, 2019 or until block is filled. Mention NY20 to receive our special conference rate.

Reserve online:

<https://book.passkey.com/e/49993485>

Reserve by phone:

877-303-0104

GUESTS

Each registrant may bring one (1) spouse or family member. Guests may not be DPMs or office staff. The Foundation reserves the right to cancel guest registrations for anyone not meeting the criteria.

CONFERENCE REGISTRATION

Registration fees are refundable, minus a \$79.00 administrative fee, when requested in writing on or before Friday, December 13, 2019. Registration fees are not refundable after this date. Residents must provide proof of residency to qualify for reduced rates. Students must bring ID. Please contact ExpoTrac at 1-877-415-FEET (3338) with registration questions. NYSPPMA members, please see the enclosed registration form for important membership benefit reduced fee stipulations.

Those registrants not wishing to register online may fax their form and payment to ExpoTrac. Please forward all registration forms directly to ExpoTrac, not NYSPPMA. Fax: 401-765-6677

CONFERENCE CONFIRMATION

Confirmation letters will be e-mailed following receipt of your registration. An email address will be required for registration. All communication will take place via email.

REGISTRATION DEADLINES

Conference pre-registration will close on January 22, 2020 at 5:00pm EST. No on-line registration or faxed registrations will be accepted after that date.

CONFERENCE BADGES

Conference badges may be printed onsite at the conference using the bar code included on your confirmation email or by looking up your last name at the badge kiosks. No badges or materials will be mailed.

NONDISCRIMINATION

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

WEATHER

The Foundation for Podiatric Medicine hopes to provide a safe educational experience for all its attendees. In the event of inclement weather, attendees are encouraged to make the best decision related to travel for themselves. The Foundation will scan according to what is published in the onsite brochure.

ACKNOWLEDGEMENTS

The Foundation for Podiatric Medicine would like to thank the following people and organizations for their contributions to the 2020 Clinical Conference:

PODIATRIC RADIOGRAPHY CERTIFICATE PROGRAM FOR UNLICENSED INDIVIDUALS

FRIDAY, JANUARY 24

9:00am – 5:00pm

This 8-hour, practice enhancing course is designed to teach participants how to perform a podiatric radiology examination. Presented by New York College of Podiatric Medicine faculty, the class is a full-day hands-on workshop leading to a certificate in radiology. Emphasis will be placed on performing an accurate exam in a manner which is safe for both the patient and the examiner. Basic radiology principles will be reviewed with a special concentration on practical application. At the end of course, upon proving competency, the participant will be certified to take podiatric radiographs under the supervision of a licensed podiatrist and will receive an official certificate from NYSPPMA.

Please email slunn@nyspma.org for an application.

Registration materials must be submitted no later than Friday, December 28, 2019 at 5:00pm EST.

BECOME AN NYSPPMA MEMBER TODAY

The New York State Podiatric Medical Association (NYSPPMA) is a tax-exempt not-for-profit, voluntary professional association uniting three of every four doctors of podiatric medicine in New York State. NYSPPMA consists of 13 geographically based sub-groups called divisions and is the largest statewide component of the American Podiatric Medical Association (APMA) and its affiliated national network of certifying boards and professional colleges. NYSPPMA is made up of dedicated volunteer podiatrists who serve as officers, board members, and committee members. Established in 1895, we were the first organization of its kind in America. We are a strong voice in the state legislature on insurance affairs, medical and hospital practice, managed care, scientific affairs, and public health.

JOIN NOW

Membership in your state and national professional associations strengthens your practice and contributes to the current state of podiatry as well as the future of the profession.

Contact Lori Sales at lsales@nyspma.org to become a member today. Join by December 13th and attend the 2020 Clinical Conference for free as a member.

HOW DO WE SERVE OUR MEMBERS?

Continuing Medical Education Credits

Available at our annual clinical conference, as well as division seminars throughout the state.

Clinical Conference

Members attend all three days of lectures free of charge, as well as receive discounts on additional seminars and programs.

Insurance Intervention and Representation

A committee of knowledgeable podiatrists and insurance consultants are available to assist members with insurance issues.

Political Action

Member participation under the guidance of one of New York's top government affairs firms.

Communications

NYSPPMA's newsletter, The New York Podiatrist, as well as its website, www.nyspma.org, provide valuable and pertinent information to members on every aspect of their practice.

Legal Resources

Members have the ability to enroll in the Podiatry Protection Program, a valuable program that provides legal coverage on a variety of issues, as well as access to a continuously updated Legal Resource Manual.

CHECK YOUR EMAIL!

Keep an eye out for email updates with faculty, programming and social event updates. ALL conference communication, including registration confirmation and badge information, will be delivered via email this year.
