CFCN, CWS, WCC, FCCWS, DAPWCA**
Vice President of Clinical Process,
RestorixHealth

Goal/Objectives

This one-day program aims to discuss state-of-the-art management options to treat chronic, non-healing wounds due to a variety of etiologies. The participants will understand benefits of treating wounds in a comprehensive wound care facility with availability of specialized clinicians and other resources including advanced wound care products as well as hyperbaric oxygen treatment. Contemporary management of contributing factors including atherosclerotic vascular disease, chronic venous insufficiency, and diabetic neuropathy will be presented.

Target Audience

This program is designed to address educational needs of primary care physicians, podiatrists, nurse practitioners, physicians' assistants, surgeons, nurses caring for patients in acute and chronic care facilities, home care workers, and other medical specialists.

CME Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Society of the State of New York (MSSNY) through the joint sponsorship of the Westchester Academy of Medicine and MidHudson Regional Hospital of Westchester Medical Center. The Westchester Academy of Medicine is accredited by the Medical Society of New York (MSSNY) to provide Continuing Medical Education for physicians.

The Westchester Academy of Medicine designates this live activity for a maximum of 7 AMA PRA Category I Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU Accreditation Statement

This activity has been submitted to the Delaware Nurses Association for approval to award contact hours. Delaware Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
