THE PODIATRY FOUNDATION

3M + KCI™

The Foundation for Podiatric Medicine wishes everyone well during these trying times. As the COVID-19 pandemic continues, we, like so many other organizations, look to keep that safety and wellbeing of our attendees a top priority. Therefore, the Foundation for Podiatric Medicine is excited to announce that the NY21 Clinical Conference is going virtual! Although we are sad that we are unable to gather in person, NY21 guarantees to provide the most state-of-the-art podiatric education including the latest proven practices within podiatric medicine and foot and ankle surgery.

NY21 assures innovative and engaging general lecture presentations by top faculty within the field of podiatric medicine and beyond imparting the most contemporary information and research. Additional programming will include a coding and billing seminar and webinars with our partners.

Our new format will also allow for exciting new opportunities virtually. Attendees will be able to build their own conference agenda that works for their personal and professional schedules by selecting whether to watch live lectures over three weekends or recorded lectures at their leisure over the course of a month. We will also have a Virtual Exhibit Hall where attendees will meet and discuss the latest products and technology with our exhibitors.

Make sure to check out our NY21 website, nyspma.org/NY21 for more information about our continuing to evolve program, pre-conference seminars, faculty, sponsors and exhibitors. Keep your eye out for Foundation emails with NY21 updates and opportunities!

NY21 will deliver the most cutting edge and “can’t miss” podiatric medicine lectures! Make sure you don’t miss out – and save the dates! We look forward to seeing you virtually at NY21 and hope to see everyone in person very soon.

Attendees at NY21 will be able to build their own conference agenda that works for their personal and professional schedules by selecting whether to watch live lectures over three weekends or recorded lectures at their leisure over the course of a month, from January 23 to February 21, 2021.

To the right are the times for the live lectures and seminars. Please note that the same programming will repeat the Saturday and Sunday of each weekend to accommodate for religious observances. Any programming that will not be available as a recording is noted with an asterisk.

To receive CECH credit, you will be required to complete an attendance verification activity for any live lectures/sessions you attend and a graded assessment for any recorded lectures/sessions you attend in addition to completing an electronic evaluation. For more information regarding CECH, please visit nyspma.org/ny21.

The Foundation for Podiatric Medicine reserves the right to change dates, times, titles, subject matter and speakers. For the most up-to-date information visit www.nyspma.org/ny21

VIRTUAL CONFERENCE

JANUARY 23 to **2021**
FEBRUARY 21

**FOUNDATION FOR
PODIATRIC MEDICINE**
CELEBRATING 35 YEARS

REGISTRATION FORMS

VIRTUAL PODIATRIC CLINICAL CONFERENCE AND EXHIBITION January 23–February 21

CONTINUING EDUCATION

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a minimum of 22 continuing education contact hours (CECH)*.

In accordance with the requirements of the Council on Podiatric Medicine, the Foundation is required to monitor educational session attendance for verification of CECH.

*This number is based on attendance at all general lectures.

CECH SIGN-IN/ASSESSMENT POLICY

Each attendee will have their own unique profile for attending the Virtual Conference.

There will be two options for earning CECH, attending pre-scheduled lectures available only in real-time or viewing recordings of lectures at any time during the duration of the Virtual Conference. While attending real-time pre-scheduled lecture, attendees must perform an attendance verification to earn CECH. If an attendee chooses to view a recording of a lecture instead, they will be required to complete and pass a post-assessment to receive CECH credit.

To ensure that the Foundation continues to provide you with a meaningful educational program, all attendees, regardless of viewing format, will be required to complete an electronic meeting evaluation in order to receive a CECH certificate and verification form. This form will be distributed via email following the conference. By registering, you are consenting to fill out an electronic evaluation survey.

Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate.

INTELLECTUAL PROPERTY STATEMENT

By participating, you acknowledge that you are prohibited from recording, saving, reproducing or retransmitting any streaming content, in any form, including NY21 sessions, and agree to refrain from such unauthorized action. All educational materials are for individual use only and may not be disseminated to others without the express written consent of the Foundation for Podiatric Medicine.

CONTACT

CONFERENCE REGISTRATION

Registration fees are refundable, minus a \$79.00 administrative fee, when requested in writing on or before Friday, January 8, 2021. Registration fees are not refundable after this date. Residents must provide proof of residency to qualify for reduced rates. Students must provide ID. Please contact CDS at 774-247-4037 or NYClinicalConference@xpressreg.net with registration questions.

NYSMPA members, please be advised that dues must be paid in full for 2020-2021 or you must be enrolled in an automatic payment plan at time of registration to receive the membership rate. Dues payments are not retroactive and non-member conference fees will not be reimbursed if dues payments are made after registration. If you have questions regarding your dues payments, please contact Rashmi Doshi at 646-525-4888 or rdoshi@nyspma.org.

CONFERENCE CONFIRMATION

Confirmation letters will be e-mailed following receipt of your registration. An email address will be required for registration. All communication will take place via email.

REGISTRATION DEADLINES

Conference Registration will close on January 22, 2021 at 1:00pm EST. Due to the nature of the virtual event, there will be no on-site registration available. No on-line or faxed registrations will be accepted after that date.

VIRTUAL CONFERENCE ACCESS

Conference attendees will be emailed access information to the virtual platform no later than a week prior to the start of the conference. This access information will be sent to the email address that the attendee registered with.

NONDISCRIMINATION

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

ACKNOWLEDGEMENTS

The Foundation for Podiatric Medicine would like to thank the following people and organizations for their contributions to the 2021 Clinical Conference:

LIABILITY WAIVER/RELEASE

LIABILITY WAIVER, RELEASE, AND ASSUMPTION OF RISK AGREEMENT

In consideration of being allowed to attend, volunteer, or otherwise participate in any fashion in the _____
("Program"), beginning on _____, _____, 2021, I, the undersigned participant ("Participant"), agree as follows:

- Purpose.** It is the purpose of this Liability Waiver, Release, and Assumption of Risk Agreement ("Agreement") to exempt, waive, and release The New York State Podiatric Medical Association and its affiliated entity, The Foundation for Podiatric Medicine, and any officers, employees, volunteers, officials, and agents ("Released Parties") from any and all liability for personal injury, property damage, and wrongful death arising out of attendance or participation in the Program to the fullest extent allowed by New York law.
- Assumption of Risk.** I agree and consent that participation in the Program is voluntary and at each individual's own risk. I acknowledge that participation in the Program entails known and unknown risks that may result in physical or other injury, loss, or death, including but not limited to exposure to contagious illness. I understand that such risks simply cannot be eliminated. I expressly assume the risk of injury and damages and will indemnify and hold harmless, and covenant not to sue, the Released Parties from any and all claims for injury and damage, **even if the risk(s) arise out of the negligence or fault of the Released Parties.**
- Liability Waiver & Release.** By executing this Agreement, I agree that the Released Parties shall not be liable for any damages arising from personal injuries sustained by myself or any licensee or individual under my care, custody, or control as a result of any and all activities related to participation in the Program. I assume full responsibility for any such injuries or damages that may occur, and further agree that the Released Parties shall not be liable for any loss, theft, or damage to personal property. I specifically agree that the Released Parties shall not be responsible for such injuries, damages, loss, or theft, **even if caused in whole or part by the negligence of the Released Parties**, whether such negligence is present at the signing of this Agreement or takes place in the future. This waiver and release does not apply to intentional torts by the Released Parties. **I waive, release, discharge, and covenant not to sue the Released Parties for the claims being released in this Agreement.**
- Liability to Third Parties.** I agree that I will indemnify and hold harmless the Released Parties for all personal injuries, property damage, or other damage to any and all third parties, including but not limited to parties under my care, custody, and control, as a result of any and all activities related to participation in the Program, **even if such damage arises out of the negligence of the Released Parties.**
- Interpretation.** I expressly agree that this Agreement is intended to be as broad and inclusive as permitted by the laws of the State of New York and shall be governed by the law of New York, without regard to any conflict of laws.
- Severability.** I agree that if any portion of this Agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.
- Attorney Fees.** Should the Released Parties or anyone acting on their behalf be required to incur attorney fees and costs to enforce this Agreement, I agree to indemnify and hold them harmless for all such fees and costs.
- Acknowledgment & Signature.** By signing this Agreement:
 - I expressly state that I have had sufficiently opportunity to read and consider this entire Agreement and ask any questions associated with it.
 - I agree that I have read and understood it and voluntarily agree to be bound by its terms.
 - I acknowledge that this Agreement contains a waiver and release of claims.**

BECOME AN NYSPMA MEMBER TODAY

The New York State Podiatric Medical Association (NYSPMA) is a tax-exempt not-for-profit, voluntary professional association uniting three of every four doctors of podiatric medicine in New York State. NYSPMA consists of 13 geographically based sub-groups called divisions and is the largest statewide component of the American Podiatric Medical Association (APMA) and its affiliated national network of certifying boards and professional colleges. NYSPMA is made up of dedicated volunteer podiatrists who serve as officers, board members, and committee members. Established in 1895, we were the first organization of its kind in America. We are a strong voice in the state legislature on insurance affairs, medical and hospital practice, managed care, scientific affairs, and public health.

JOIN NOW

Membership in your state and national professional associations strengthens your practice and contributes to the current state of podiatry as well as the future of the profession.

Contact Rashmi Doshi at rdoshi@nyspma.org to become a member today. Join by December 21st and attend the 2021 Clinical Conference for free as a member.

HOW DO WE SERVE OUR MEMBERS?

Continuing Medical Education Credits

Available at our annual clinical conference, as well as division seminars throughout the state.

Clinical Conference

Members attend all general lectures free of charge, as well as receive discounts on additional seminars and programs.

Insurance Intervention and Representation

A committee of knowledgeable podiatrists and insurance consultants are available to assist members with insurance issues.

Political Action

Member participation under the guidance of one of New York's top government affairs firms.

Communications

NYSPMA's newsletter, The New York Podiatrist, as well as its website, www.nyspma.org, provide valuable and pertinent information to members on every aspect of their practice.

Legal Resources

Members have the ability to enroll in the Podiatry Protection Program, a valuable program that provides legal coverage on a variety of issues, as well as access to a continuously updated Legal Resource Manual.

CHECK YOUR EMAIL!

**Keep an eye out for email updates with faculty, programming and social event updates.
ALL conference communication, including registration confirmation
and virtual access, will be delivered via email this year.**
