Logging On

[You can click this link to login](#) or the button on the lefthand side of The Foundation for Podiatric Medicine website that reads NY22 Virtual Clinical Conference. When you log in, you will need your badge number (also referred to as your registration ID) and the last name you registered with. You have been emailed both your badge number and the last name you registered with – but in case you are unable to locate the email with your badge number, there is a link below the log in button that reads “Forget Your Badge Number?” You can click on this link and follow the directions to receive an email with your badge number. Below is what you will see on the login screen.

The banner features the text "NY22 VIRTUAL CLINICAL CONFERENCE" in large, bold letters. Below this, it lists the dates "MARCH 19-20", "APRIL 23-24", and "MAY 21-22". A small note states "Lectures available on demand until June 12." The background includes a stylized illustration of the Statue of Liberty and a city skyline.

Printing/Saving/Emailing Your CECH Certificate

You will be able to print, download, or email your CECH certificate after completing your attendance verification and an evaluation for any lecture block. The Foundation STRONGLY encourages you to hold off on downloading, printing or emailing your CECH certificate until the conclusion of the NY22 Virtual Clinical Conference so that you do not have multiple copies of your CECH certificate.

Need Help?

If you need assistance, you can click on the blue chat icon in the lower right-hand side of the screen. You can find a picture of the icon below. You can also get help by emailing nyclinicalconference@nyspma.org.

Additional Important Information

While NYSPMA staff will try to assist, we cannot assist with technical issues such as a bad internet connection, or an outdated internet browser. The NY22 Virtual Clinical Conference is intended for viewing on a computer or a tablet. We do not recommend watching the NY22 Virtual Clinical Conference on a cell phone.
