THANK YOU TO OUR SPONSORS

THE PODIATRY FOUNDATION

Sponsorships do not support the
educational activities of NY22

WELCOME/THANK YOU

Thank you for joining us for the 2022 Virtual New York Podiatric Clinical Conference. In January, The Foundation made the difficult decision to pivot this year's Clinical Conference from an in-person conference to a virtual conference. The decision to cancel NY22 did not come easily. The conditions and circumstances brought about by the Omicron variant and the timing of the in-person Clinical Conference made it impossible to stage NY22 without endangering the health and safety of all exhibitors, attendees

and the New York City community at large. While we are disappointed to be unable to gather in-person again this year, we are thrilled to be able to present the lectures that were originally scheduled to be in-person in a virtual format.

So, prepare to be challenged, and learn something new from the comfort of wherever you choose to be while watching the NY22 Clinical Conference. We are continuing with a very similar virtual format to last year's with flexibility and convenience for attendees being the priority. Attendees can build their own conference agenda that works for their personal and professional schedules by selecting whether to watch live-streamed lectures over the weekends of March 19-20 (Day 1 lectures), April 23-24 (Day 2 lectures) and May 21-22 (Day 3 lectures) or on-demand lectures at their leisure that will be available proceeding the live lecture weekend and up until June 12.

For NY22, The Foundation focused on creating the best and most innovative lectures in the field of podiatry and foot and ankle surgery. We are featuring many experts from renowned academic institutions such as Memorial Sloan Kettering, Hospital for Special Surgery and Weill Cornell Medicine that have never been featured at other podiatric medical conferences.

We'd also like to extend our sincere gratitude to our sponsors who continue to support The Foundation for Podiatric Medicine and the podiatric community as a whole. We're so proud to call them supporters and we really look forward to seeing them in person again soon.

William D. Spielfogel, DPM
President
Foundation for Podiatric Medicine

CONTINUING EDUCATION

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a maximum of 28.25 continuing education contact hours (CECH)*.

In accordance with the requirements of the Council on Podiatric Medicine, the Foundation is required to monitor educational session attendance for verification of CECH.

*This number is based on attendance at all general lectures, the Risk Management lecture, and the 2022 Medicare Update lecture.

CECH SIGN-IN/ASSESSMENT POLICY

Each attendee will have their own unique profile for attending the Virtual Conference.

There will be two options for earning CECH, attending pre-scheduled lectures available only in real-time or viewing recordings of lectures at any time during the duration of the Virtual Conference. While attending real-time pre-scheduled lecture, attendees must perform an attendance verification to earn CECH. If an attendee chooses to view a recording of a lecture instead, they will be required to complete and pass a post-assessment to receive CECH credit.

To ensure that the Foundation continues to provide you with a meaningful educational program, all attendees, regardless of viewing format, will be required to complete an electronic meeting evaluation in order to receive a CECH certificate and verification form. This form will be distributed via email following the conference. By registering, you are consenting to fill out an electronic evaluation survey.

Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate.

INTELLECTUAL PROPERTY STATEMENT

By participating, you acknowledge that you are prohibited from recording, saving, reproducing or retransmitting any streaming content, in any form, including NY22 sessions, and agree to refrain from such unauthorized action. All educational materials are for individual use only and may not be disseminated to others without the express written consent of the Foundation for Podiatric Medicine.

NY22 IN-PERSON REFUND POLICIES

NY22 registrants that registered before the Clinical Conference pivoted to a virtual format will be automatically registered for the virtual conference. For in-person conference registrants still seeking refunds, your refund will be issued less a 6% processing fee for the costs incurred of processing credit card payments. For Exhibit Hall Only registrants, you can choose to be refunded less a 6% processing fee for the costs incurred of processing credit card payments or have your registration rolled over to NY23 taking place from January 20-22, 2023.

CONTACT

Allison Hogan | ahogan@nyspma.org

VIRTUAL CONFERENCE REGISTRATION

For those registering for the NY22 Virtual Clinical Conference, registration is not refundable. Registration will remain open until Friday, May 13, 2022. For those registering after the live weekends of March 19-20, April 23-24 and May 21-22, you will be able to watch and receive credits for those lectures on demand until Sunday, June 12.

NYSPMA members, please be advised that dues must be paid in full for 2020-2021 or you must be enrolled in an automatic payment plan at time of registration to receive the membership rate. Dues payments are not retroactive and non-member conference fees will not be reimbursed if dues payments are made after registration. If you have questions regarding your dues payments, please contact Rashmi Doshi at 646-525-4888 or rdoshi@nyspma.org.

CONFERENCE CONFIRMATION

Confirmation letters will be e-mailed following receipt of your registration. An email address will be required for registration. All communication will take place via email.

REGISTRATION DEADLINES

Conference Registration will close on Friday, May 13, 2022 at 1:00pm EST. Due to the nature of the virtual event, there will be no on-site registration available. No registrations will be accepted after that date.

VIRTUAL CONFERENCE ACCESS

Conference attendees will be emailed access information to the virtual platform no later than a week prior to the start of the conference. This access information will be sent to the email address that the attendee registered with.

NONDISCRIMINATION

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

DISCLOSURE STATEMENT

The Foundation for Podiatric Medicine ensures balance, independence, objectivity, and scientific rigor in all individually provided or jointly provided educational programs. All individuals who have influence over the content of the educational activity (i.e., instructors, course director(s), planning committee, faculty, etc.) have no financial conflicts of interest that may lead to any biases in the educational content presented from The Foundation for Podiatric Medicine.

ACKNOWLEDGEMENTS

The Foundation for Podiatric Medicine would like to thank the following people and organizations for their contributions to the 2022 Virtual Clinical Conference:

Attendees at NY22 will be able to build their own conference agenda that works for their personal and professional schedules by selecting whether to watch live lectures over three weekends or recorded lectures at their leisure over the course of nearly three months, from March 19 to June 12, 2022.

To the right are the times for the live lectures. Please note that the same programming will repeat the Saturday and Sunday of each weekend to accommodate for religious observances.

To receive CECH credit, you will be required to complete an attendance verification activity for any live lectures/sessions you attend and a graded assessment for any recorded lectures/sessions you attend in addition to completing an electronic evaluation.

For more information regarding CECH, please visit

BECOME AN NYSPMA MEMBER TODAY

The New York State Podiatric Medical Association (NYSPMA) is a tax-exempt not-for-profit, voluntary professional association uniting three of every four doctors of podiatric medicine in New York State. NYSPMA consists of 13 geographically based sub-groups called divisions and is the largest statewide component of the American Podiatric Medical Association (APMA) and its affiliated national network of certifying boards and professional colleges. NYSPMA is made up of dedicated volunteer podiatrists who serve as officers, board members, and committee members. Established in 1895, we were the first organization of its kind in America. We are a strong voice in the state legislature on insurance affairs, medical and hospital practice, managed care, scientific affairs, and public health.

JOIN NOW

Membership in your state and national professional associations strengthens your practice and contributes to the current state of podiatry as well as the future of the profession.

Contact Lori Sales at lsales@nyspma.org to become a member today.

HOW DO WE SERVE OUR MEMBERS?

• Continuing Medical Education Credits

Available at our annual clinical conference, as well as division seminars throughout the state.

• Clinical Conference

Members attend all three days of lectures free of charge, as well as receive discounts on additional seminars and programs.

• Insurance Intervention and Representation

A committee of knowledgeable podiatrists and insurance consultants are available to assist members with insurance issues.

• Political Action

Member participation under the guidance of one of New York's top government affairs firms.

• Communications

NYSPMA's newsletter, The New York Podiatrist, as well as its website, www.nyspma.org, provide valuable and pertinent information to members on every aspect of their practice.

• Legal Resources

Members have the ability to enroll in the Podiatry Protection Program, a valuable program that provides legal coverage on a variety of issues, as well as access to a continuously updated Legal Resource Manual.

New York Podiatry

Political Action Committee

Help Support Those Who Support Podiatry

WHAT IS NYPPAC?

The New York State Podiatry Political Action Committee (NYPPAC) is a nonprofit, bipartisan fundraising committee through which podiatrists support state candidates who champion podiatric medicine's issues in New York.

Because of the efforts of NYPPAC and its parent organization, the American Podiatric Medical Association (NYSPMA), the profession has gained a state and national presence as a political force.

NYPPAC neither determines the issues to be addressed on behalf of the profession, nor lobbies on those issues. That is the role of NYSPMA's Legislative Action Committee, Board of Trustees, and lobbying firm.

NYPPAC's role is to support candidates seeking office in the NY Assembly and Senate. The only other legal means for such support is through contributions made directly to a candidate by an individual.

WHO RECEIVES NYPPAC SUPPORT?

Funds collected by NYPPAC are in turn contributed to statewide candidates who are selected without regard to political party. Only candidates seeking a seat in the NY Assembly or Senate may be recipients of NYPPAC's funds. Candidate support is based on:

1. A candidate's position on issues—Does the incumbent candidate support podiatric medicine's issues? Is he or she accessible to NYSPMA members and lobbyists? If a candidate is a non-incumbent, was he or she supportive in the state or local governing structure?
2. A candidate's committee appointment—As an incumbent, does the candidate serve on a committee that has jurisdiction over state health policy?
3. NYSPMA member/state component endorsement—Does the candidate have the backing of NYSPMA members? This criterion is required for support of non-incumbents.

WHO MAY GIVE TO NYPPAC?

Members and staff of NYSPMA, their family members, and members and staff of NYSPMA's component divisions may contribute to NYPPAC. Contributions must be from personal funds if they are to be used for contributions to candidates for federal office. Contributions to NYPPAC must be voluntary and do not qualify for an income tax deduction.

**APPROVAL**

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine.

The Foundation has approved this activity for a maximum of 28.25 continuing education contact hours (CECH). This number is based on attendance at all general lectures, the Risk Management lecture, and the 2022 Medicare Update lecture.

ATTENDANCE / ASSESSMENT

In accordance with the requirements of the Council on Podiatric Medicine, The Foundation is required to monitor session attendance for verification of CECH.

There will be two options for earning CECH, attending pre-scheduled lectures available only in real-time or viewing recordings of lectures at any time during the duration of the Virtual Conference. While attending a real-time pre-scheduled lecture, attendees must perform an attendance verification to earn CECH. If an attendee chooses to view a recording of a lecture instead, they will be required to complete and pass a post-assessment to receive CECH credit.

Please note that the same programming will repeat the Saturday and Sunday of each weekend to accommodate for religious observances. Individuals can only receive CECH for a specific program once. Any programming that will not be available live is noted with an asterisk.

PLEASE NOTE

To ensure that the Foundation continues to provide you with a meaningful educational program, all attendees, regardless of viewing format, will be required to complete an electronic meeting evaluation for each lecture section in order to receive a CECH certificate and verification form. You can find a missed attendance verification form on The Foundation for Podiatric Medicine's website at nyspma.org/ny22. Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate. NYSPMA members will not be eligible to receive their CECH Certificate unless their memberships are current.

DAY 1 - SATURDAY & SUNDAY, MARCH 19-20

NY22 LIVE VIRTUAL WEEKENDS

- March 19-20
- April 23-24
- May 21-22

8:00am-5:30pm
8:00am-6:00pm
8:00am-6:30pm

FOR MORE INFORMATION:

nycclinicalconference@nyspma.org

MORNING BLOCK 1

8:00-9:06am

How to Try and Prevent a Lawsuit and What To Do Once It Occurs

Allen Jacobs, DPM, Matthew Feldman, JD,
Michael Trepal, DPM

9:06-10:15am

Cannabinoids, Cannabis and Marijuana: Implications for Sensory Dysfunction Including Gait

Denise A. Valenti, OD, FAAO

10:15-10:30am BREAK

MORNING BLOCK 2

10:30-11:19am

Orthotic Prescriptions: How to Get it Right

Karen Langone, DPM

11:19am-12:00pm

Innovations in Athletic Shoe Technology

Karen Langone, DPM

12:00-12:45pm BREAK

AFTERNOON BLOCK 1

12:45-1:43pm

National Trends in Fall Prevention and The Aging Population

Hon. Lance Robertson

1:43-2:25pm

Fall Risk Evaluation: The Role of Podiatrists

Allen M. Jacobs, DPM

2:25pm-2:45pm BREAK

AFTERNOON BLOCK 2

2:45-3:09pm

Anatomic Variants and Effects of Foot Function

Samantha Landau, DPM

3:09-3:39pm

True Incidence and Implications of Gastroc- Soleus Equinus: New Data

Joseph C. D'Amico, DPM

3:39-4:03pm

Covid -19 Vaccines: What We Now Know and What We Still Don't Know

Kathleen DiCaprio, PhD

4:03-4:37pm

Lapidus Bunionectomy: Some Things You May Not Know

Michael Trepal, DPM

4:37-4:59pm

Distal Tibial Lengthening in Charcot Ankle Deformity

Johanna Godoy, DPM

4:59-5:27pm

A New Way to Look at Plantar Fasciitis

Fortunato, Battaglia, MD, PhD

5:27-5:54pm

Evaluation and Management of Achilles Tendinopathy

Kevin Jules, DPM

5:54-6:30pm

Arthroscopic Assisted Sub-Talar Fusion

Thomas Vitale, DPM

The Foundation for Podiatric Medicine reserves the right to change dates, times, titles, subject matter and speakers.

NY22 LIVE VIRTUAL WEEKENDS

- March 19-20
- April 23-24
- May 21-22

8:00am-5:30pm
8:00am-6:00pm
8:00am-6:30pm

FOR MORE INFORMATION:

nyclinicalconference@nyspma.org

AT THE CONCLUSION OF NY22, ATTENDEES WILL BE ABLE TO:

- Understand present diabetic guidelines for management of edema and ulcers
- Appropriate technique of amputations in diabetics
- Review the appropriate antibiotic coverage in foot infections and osteomyelitis
- Review of appropriate antibiotic for preventing and treating foot infections Review of various surgical treatment options for infections of the foot and ankle
- Understand the various injuries of the foot and ankle, as well as appropriate use of diagnostic testing and treatment options
- Treat complications in trauma of the foot and ankle
- Treatment of arthritis of the foot and ankle including cartilage replacement and biologics
- Understand normal anatomy on various radiological modalities and how to distinguish pathological conditions
- Understand causes of malpractice cases and best options to prevent a lawsuit
- Learn new surgical techniques through hands-on workshops guided by experts in the field
- Understand the biomechanics of various lower extremity disorders and the role proper footwear, bracing and orthotics can play
- Learn systematic approaches for evaluation of foot and ankle deformity as well as understand concomitant pathomechanics.
- Understand pathologies leading to foot and ankle pain and deformity
- Use clinical criteria used to evaluate and treat forefoot, midfoot, rearfoot and ankle pathologies
- Discuss operative interventions for the foot and ankle, including procedure selection and description of the accepted techniques
- Understand the etiology, diagnosis, pathomechanics, and treatment options for Achilles tendon pathology
- Understand the etiology diagnosis, pathomechanics, and treatment options for first ray and acquired adult flatfoot
- Gain knowledge if the etiology and treatment for various complications of forefoot, midfoot, rearfoot and ankle surgery
- Knowledge in appropriate documentation in the medical record
- Improve knowledge of the latest endovascular procedures for PAD
- Understand deformities of the foot and ankle that cause gait abnormalities and pain
- Improve knowledge of wound care and options for treating chronic wounds
- Improve knowledge in the evolution of treatment for ankle fractures, calcaneal fractures, Lisfranc injuries, and Charcot foot.
- Improve knowledge of DVT prophylaxis, immunosuppressive biologic therapy and chronic anticoagulation therapy
- Improve knowledge of treatment of infections
- Improve knowledge of bone healing
- Improve knowledge of minimal incision techniques in foot and ankle surgery
- Improve knowledge of joint preservation techniques.
- Understand fusion techniques of the foot and ankle
- Understand the role of arthroscopy in fracture treatment
- Understand treatment regimens for osteomyelitis in the foot and ankle
- Improve knowledge in the treatment of trauma of the foot and ankle
- Improve knowledge in Charcot surgical treatment
- Improve knowledge in brachymetatarsia surgery
- Improve knowledge in differentiating osteomyelitis from Charcot disease
- Understand the changes in podiatry during the COVID pandemic
- Improve knowledge of telemedicine
- Understand the role of arthrodesis in foot surgery
- Understand the role of syndesmotomic repair
- Understand the role of repair of the posterior malleolus fracture
- Understand the role of deformity correction techniques
- Understand the use of CBD and Marijuana in pain management
- Understand the role of the spring and deltoid ligament in acquired adult flatfoot
- Understanding necrotizing fasciitis
- Improving knowledge of allografts in the foot
- Improving knowledge of preventing ulcerations after amputations
- Acquainting participants with the dermoscopic features useful in differentiating nevi from melanoma
- Acknowledging the importance of examining the free edge of the nail plate to help determine the type of lesion and its origin from either the proximal or distal nail matrix.
- Recognizing the importance of examining the cuticle and hyponychium when evaluating melanonychia striata
- Describing methods for mycological confirmation of onychomycosis diagnosis
- Identifying FDA approved treatment options for onychomycosis
- Summarizing the role of telemedicine in the management of onychomycosis
- Identify allergic contact dermatitis causes of foot dermatitis
- Understand approach to the diagnosis of foot dermatitis
- Understand best treatments for foot dermatitis
- Recognize common reactions involving the feet and nails due to chemotherapy, targeted agents, and immune checkpoint inhibitors
- Utilize appropriate strategies for management of several common chemotherapy adverse events involving the feet and nails
- Gain comfort using CTCAE grading when evaluating adverse events from cancer therapies
- Review pathophysiologic mechanisms for plantar psoriasis
- Recognize different manifestations of foot psoriasis and distinguish them from common differential diagnoses
- Formulate treatment plans to manage psoriasis on the feet
- Explain the meaning of the term "skin of color"
- Review differences in how common skin conditions on the feet may appear differently in patients with darker skin tones
- Provide the tools on how to quickly diagnose and treat these conditions in your practices

FOUNDATION FOR PODIATRIC MEDICINE

Board of Directors

William D. Spielfogel, DPM, President
Charles M. Lombardi, DPM, Vice President
Daniel B. Keating, DPM, Treasurer
Lawrence A. Santi, DPM, Secretary
Nicholas Argerakis, DPM, Director
Roy R. DeFrancis, DPM, Director
Emilio Goez, DPM, Director
James Hanna, DPM, Director
Andrew Pavelescu, DPM, Director
Dan Kline, ex officio
Matthew Feldman, JD, ex officio

Revenue and Sponsorship Committee

James Hanna, DPM
Daniel B. Keating, DPM
Charles M. Lombardi, DPM
Lawrence A. Santi, DPM

Scientific Committee

William D. Spielfogel, DPM, Scientific Chair
Charles M. Lombardi, DPM, Lecture Chair
Daniel B. Keating, DPM, Workshop Chair
Lawrence A. Santi, DPM,
Administrative Officer of Continuing Ed.

MISSION STATEMENT

The Foundation for Podiatric Medicine, a nonprofit 501(c)(3) organization, was established in 1986. The mission of the Foundation for Podiatric Medicine is to offer continuing medical education, professional development and public information services.

OBJECTIVES

The scientific sessions of the Foundation for Podiatric Medicine's 2022 Podiatric Clinical Conference are designed with the educational goal of presenting balanced academic discussions for the primary care podiatric physician and also to initiate education in the areas of diagnosis and management of ankle pathology. Providing cutting-edge educational programs in various learning formats, the conference offers a forum for dialogue about the vital educational and clinical information that is crucial to all podiatrists, ensuring professional development that enhances quality patient care and advances the profession.

The Foundation provides an opportunity for the learner with a disability who may require accommodations to participate fully to indicate such a status by contacting the Foundation for Podiatric Medicine at 212-996-4400.

FACULTY

Anjali Dayal, JD

Instructor/Presenter

- Other – Attorney for PICA, and DPMs insured by PICA in malpractice lawsuits

Matthew Feldman, Esq.

Instructor/Presenter

- Consultant – NYSPMA

Johanna Godoy, DPM, FACFAS

Instructor/Presenter

- Consultant – Stryker

George Han, MD, PhD

Instructor/Presenter

- Consultant – Amgen, BI, BMS, Janssen, Leo, Lilly, Novartis, Ortho, Regeneron, UCB
- Speaker's Bureau – SUN, Abbvie, Lilly, Ortho, Pfizer, Regeneron, Incyte
- Grant/Research Support – Amgen, Athenex, BI, Bond Avillion, Celgene, Janssen, Lilly, MC2, Pallepharm, Pfizer, UCB

Allen Mark Jacobs, DPM, FACFAS

Instructor/Presenter

- Consultant – EBM Medical

Jeffrey D. Lehrman, DPM, FASPS, MAPWCA, CPC, CPMA

Instructor/Presenter

- Consultant – Advisor, American Podiatric Medical Association

Shari Lipner, MD, PhD

Instructor/Presenter, Moderator

- Consultant – Verrica, Hoth Therapeutics, Ortho-Dermatologics

Sorana Segal Maurer, MD

Instructor/Presenter

- Consultant – Gilead Sciences, Janssen Therapeutics, ViiV
- Speaker's Bureau – Gilead Sciences, Janssen Therapeutics, ViiV
- Honorarium – Gilead Sciences, Janssen Therapeutics, ViiV

Beth McLellan, MD

Instructor/Presenter

- Consultant – LaRoche-Posay
- Grant/Research Support – OnQuality

Krupa Patel, DPM, FACFAS

Instructor/Presenter

- Consultant – Stryker F&A/ ASC

Hollis Potter, MD

Instructor/Presenter

- Grant/Research Support – General Electric Healthcare (Institutional), Siemens

Larry Santi, DPM

**Instructor/Presenter/Approval Committee Member/
Activity Director**

- Speaker's Bureau – Organogenesis

William Spielfogel, DPM, FACFAS

Approval Committee Member/Activity Director

- Consultant, Royal Biologics

Denise A. Valenti, OD, FAAO

Instructor/Presenter

- Speaker's Bureau – Envision Paid Speaker, AAO Paid Speaker

NY22 LIVE VIRTUAL WEEKENDS

- March 19-20
- April 23-24
- May 21-22

8:00am-5:30pm
8:00am-6:00pm
8:00am-6:30pm

**FOR MORE
INFORMATION:**

nycclinicalconference@nyspma.org

**Fortunato Battaglia, MD****James D. Bavoso**

- Medicare Provider Outreach & Education Team Member, National Government Services - New York, NY

Edward Blahous, DPM

- Attending Podiatric Physician, Northwest Hospital - Seattle, WA
- Private Practice, The Sports Medicine Clinic, Northwest Hospital - Seattle, WA

Joseph C. D'Amico, DPM, DSc

- Professor and Past Chairman, Division of Orthopedic Sciences, New York College Podiatric Medicine - New York, NY
- Private Practice limited to gait-related disorders of the lower extremity - New York, NY

Ajali Dayal, JD

- Attorney, McBreen Kopko & Dayal

Kathleen DiCaprio, PhD**Bruce Dobbs, DPM**

- Clinical Professor, Samuel Merritt University - Oakland, CA
- Attending, Campus Surgery Center - Daly City, CA

Matthew Feldman, Esq.

- Partner, Feldman Kieffer - Buffalo, New York

Johanna Godoy, DPM, FACFAS

- Attending, Foot Clinics of New York - New York, NY and Metropolitan Hospital/Lincoln Hospital/Harlem Hospital - New York, NY
- Assistant Professor, NY College Of Podiatric Medicine - New York, NY

George Han, MD, PhD

- Director of Clinical Research, Northwell Health System - New Hyde Park, NY
- Associate Professor, Zucker School of Medicine at Hofstra/Northwell

Allen Mark Jacobs, DPM, FACFAS

- Private Practice - St. Louis, MO
- Nationally Recognized Author, Researcher, and Noted Authority on Surgery of the Foot

Kevin T. Jules, DPM, DABPS, FACFAS

- Professor & Chairman, Department of Surgery, NY College of Podiatric Medicine - New York, NY

Eva Kerby, MD

- Assistant Professor of Clinical Medicine, Department of Dermatology, Weill Cornell - New York, NY
- Director of the Weill Cornell Dermatology Center for Diverse Skin Complexions - New York, NY

Paul Kesselman, DPM

- APMA DME Workgroup Coordinator/ NYSPMA Insurance Committee
- Extensive Experience in DME Compliance and Coding

Vladimir Kramskiy, MD

- Assistant Attending, Hospital for Special Surgery - New York, NY
- Pain Medicine Fellowship Site Director, Hospital for Special Surgery - New York, NY

Samantha Landau, DPM, MPH, AACFAS

- Clinical Attending & Faculty; The Foot Center of New York - New York, NY

Karen Langone, DPM, DABPM, FACPM, FAAPSM

- Private Practice - Southampton, NY
- President, American Association for Women Podiatrists

Jeffrey D. Lehrman, DPM, FASPS, MAPWCA, CPC, CPMA

- Private Practice - Fort Collins, CO

Shari Lipner, MD, PhD

- Associate Attending Dermatologist, Weill Cornell/New York Presbyterian Hospital - New York, NY
- Associate Professor of Clinical Dermatology, Weill Cornell Medical College - New York, NY

Charles M. Lombardi, DPM

- Director, Podiatric Medical Education, New York Presbyterian Hospital, Queens - Queens, NY
- Clinical Assistant Professor of Podiatry in Surgery, Cornell University Medical College, New York - New York, NY
- Clinical Associate Professor of Surgery, External Faculty, New York College of Podiatric Medicine - New York, NY

Ashfaq Marghoob, MD

- Attending Physician, Memorial Hospital for Cancer & Allied Diseases, Dermatology Service, Department of Medicine - New York, NY
