

NY 23

PODIATRIC CLINICAL CONFERENCE and EXHIBITION

JANUARY 19-22, 2023
New York Marriott Marquis

THANK YOU TO OUR SPONSORS

Gordon Laboratories 

THE PODIATRY FOUNDATION

Sponsorships do not support the
educational activities of NY23

After another very successful NY22 Virtual Conference, The Foundation for Podiatric Medicine is thrilled to see life returning to a more normal way allowing us to be in person for the NY23 Clinical Conference and Exhibition from Jan. 19-22, 2023. NYC activity is back to pre-pandemic levels giving us the chance to eat in the best restaurants, enjoy Broadway performances and stop in on all the latest attractions it has to offer. More importantly, we can reconnect with each other while getting a minimum of 22 CMEs, and learning about the most cutting-edge technology while getting hands-on experience in the NY23 Exhibit Hall showcasing the industry's latest products and services.

NY23 will provide the best lectures and research in podiatric medicine and beyond. This year, NY23 will be hosting the 6th Annual Transatlantic Seminar. This seminar only takes place every other year in the USA and will feature the latest research, studies and podiatric practices coming out of Ireland. NY23 will also feature a Friday afternoon panel in collaboration with American Association for Women Podiatrists. Attendees can look forward to billing and coding education on Thursday, January 19.

As always, we ask that you keep an eye on the conference website nyspma.org/ny23 and register today for all the latest NY23 information, exhibitor and sponsor updates and the continually evolving program.

Don't miss out on the chance to get your CMEs in the best city in the world - NYC. NY23 will be a conference you won't forget. We can't wait to see you all again!

William D. Spielfogel, DPM
President, Foundation for Podiatric Medicine

CONFERENCE**
APMA CODING SEMINAR
JANUARY 19, 2023

- * APMA is in the process of seeking AAPC approval certified professional coder CEUs for the NY23 APMA Coding Seminar.
- * APMA anticipates CAPMAC approving the NY23 APMA Coding Seminar for 6.5 CMEs for Podiatric Medical Assistants.

Agenda

7:30–8:00am	Registration on site opens
8:00–8:45am	Coding, Compliance, and Documentation for Ulcer Debridement Jeffrey Lehrman, DPM, CPC
8:45–9:00am	ICD-10 Changes for 2023 You Need to Know Jeffrey Lehrman, DPM, CPC
9:00–9:15am	Q&A
9:15–10:00am	DME Update, 2023 Paul Kesselman, DPM
10:00–10:15am	Q&A
10:15–10:30am	Break
10:30–11:00am	MIPS in 2023: Now What! Jeffrey Lehrman, DPM, CPC
11:00–11:30am	At-Risk Foot Care Audits: An In-Depth Look at One Audit Paul Kesselman, DPM
11:30–11:45am	Q&A
11:45am–12:45pm	Lunch on Your Own
12:45–1:30pm	Coding, Compliance, and Documentation for Skin Substitute Services Jeffrey Lehrman, DPM, CPC
1:30–2:00pm	Telehealth and the End of the PHE Paul Kesselman, DPM
2:00–2:15pm	Q&A
2:15–2:30pm	Intercuneiform Instability: What Are We Doing? Jeffrey Lehrman, DPM, CPC
2:30–2:45pm	Break
2:45–3:00pm	Providing Services During the Postoperative Global Period Jeffrey Lehrman, DPM, CPC
3:00–3:45pm	Major E&M Changes for 2023 Jeffrey Lehrman, DPM, CPC
3:45–4:00pm	Q&A

Educational Objectives

At the conclusion of this program, attendees will be able to:

- list four CPT® codes used for ulcer debridement;
- differentiate between the depth of an ulcer and the deepest depth of an ulcer debrided;
- list two social determinants of health;
- list three types of Von Willebrand disease;
- understand the latest Federal and State updates to the durable medical equipment (DME) program in 2023;
- how to understand and respond to DME audits and What you can take home from the DME audits;
- understand changes to the upcoming 2023 Merit-based Incentive Payment System (MIPS);
- identify what measures for the 2023 MIPS participation year are best suited for your patients and practice;
- learn about and understand appropriate coding and documentation for at-risk routine foot care;
- understand how to respond appropriately and comply with audit requirements to avoid painful penalties;
- differentiate between the CPT® codes used for skin substitute application to the foot and skin substitute application to the leg;
- differentiate between ulcer excision and ulcer debridement;
- understand what the end of the public health emergency (PHE) means for the future of telehealth in your practice;
- understand telehealth codes and using them appropriately in your practice;
- list the steps required to perform an intercuneiform arthrodesis;
- differentiate between CPT® coding when one midtarsal joint is fused versus when multiple midtarsal joints are fused;
- list the two differences between the 78 and 79 Modifiers;
- cite one example of proper use of the 58 Modifier;
- list three E&M types whose level selection methodology changed January 1, 2023; and
- list three actions that may count toward “total time” when choosing a nursing facility E&M level based on total time.

PRE-CONFERENCE SEMINARS: THURSDAY, JANUARY 19

5:00–6:30pm

2023 Medicare Update

James Bavoso
National Government Services

6:30–8:30pm

Risk Management Lecture: The Claim You Don't See Coming. What Happens When Your Patient Dies?

RESIDENCY & FELLOWS FORUM: COMPLICATIONS SEMINAR

**Saturday, January 21
8:00am-3:00pm**

The Foundation for Podiatric Medicine is pleased to announce that we will be hosting a Complications Seminar from 8am-3pm on Saturday, January 21st as part of the 2023 New York Clinical Conference. Past year's Complications Seminar have been greeted with tremendous enthusiasm and serves as an opportunity to highlight the great training our students, residents and fellows receive.

Take part in this annual interactive program as local residency programs present their complications and how they are treated. Plus, take advantage of the opportunity to give programs your insight on how to resolve their complications. Residents from the Tri-State area and beyond are invited to present on any type of complication from surgical, medical or diagnostic issues. Open discussion and questions will be encouraged. The audience may also bring complications that can be discussed as a group for treatment consensus or opinions. **The case selected as the most complicated & intriguing case will present on Sunday, January 22 during the general lectures to all conference attendees.**

Residency Directors and/or Assistant Directors are encouraged to attend and participate. All Residency Directors/Assistant Directors must be registered for NY23 in order to attend the Complications Seminar.

GROUND RULES

1. Residents may present a case complication via PowerPoint in one of three topics: Surgical, Medical, or Diagnostic
2. Each residency program is limited to ONE case presentation, limited to 10 minutes.
3. A diagnostic dilemma should be identified in each case. We will then have an interactive discussion for 5 MINUTES led by Foundation Board Directors.
4. Cases with some follow-up are encouraged, as they will foster a richer discussion.

Proposals should include the title of your presentation, name of resident(s) presenting, and name of residency program. PROPOSALS FOR PRESENTATIONS SHOULD BE SENT TO nyclinicalconference@nyspma.org BY FRIDAY, NOVEMBER 18, 2023. The Seminar will be open to all conference attendees, with a special invitation extended to current students. Sleeping rooms will be provided on either Friday, 1/20 or Saturday, 1/21 at the NY Marriott Marquis by The Foundation for Podiatric Medicine to the presenters of the first five cases submitted.

Don't miss out on the chance to present on the main stage at the best podiatric conference in the country!

Please email Allison Hogan at nyclinicalconference@nyspma.org with any questions.

CONTINUING EDUCATION

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a minimum of 22 continuing education contact hours (CECH)*.

In accordance with the requirements of the Council on Podiatric Medicine, the Foundation is required to monitor educational session attendance for verification of CECH.

*This number is based on attendance at all general lectures.

CECH Sign-in/Scanning Policy

Badges are bar coded with your personal information and must be scanned.

To ensure that the Foundation continues to provide you with a meaningful educational program, all attendees will be required to complete an electronic meeting evaluation in order to receive a CECH certificate and verification form. This form will be distributed via email following the conference. By registering, you are consenting to fill out an electronic evaluation survey.

Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate.

Meals

Breakfast and lunch are designed to be free time for attendees to visit with exhibitors or attend ancillary sessions. Educational and non-educational sponsored lunches may be available each day for pre-registration. Please check www.nyspma.org/ny23 for updates and to register online.

Sleeping Rooms: \$230.00 s/d + tax

A block of sleeping rooms has been reserved at the New York Marriott Marquis for NY23 attendees. Rooms may be reserved until Tuesday, December 27, 2022 or until block is filled. Mention New York Podiatric Clinical Conference to receive our special conference rate.

NOTICE: UNAUTHORIZED COMPANIES SOLICITING HOUSING FOR THE NY23 Clinical Conference and Exhibition (Also known as "Room Block Pirates")

It has come to our attention that unauthorized companies are contacting NY23 Clinical Conference attendees, offering hotel reservations for our events.

Please be advised that the only company authorized to arrange hotel reservations for our meetings are the NY Marriott Marquis through channels provided exclusively from the Foundation for Podiatric Medicine publications and emails. We do not solicit reservations by phone and will never contact you that way, or via fax form.

Reserve online:

<https://book.passkey.com/e/50391042>

Reserve by phone: 212-398-1900. Mention NY Podiatric Clinical Conference when you call to book inside the conference block.

GUESTS

NYSPMA members may register one family member guest on site only. Guest must be present when registering them. Guests may not be DPMs or office staff. The Foundation reserves the right to cancel guest registrations for anyone not meeting the criteria.

Contact Allison Hogan | ahogan@nyspma.org

Conference Registration

Registration fees are refundable, minus a \$79.00 administrative fee, when requested in writing on or before Friday, December 16, 2022. Registration fees are not refundable after this date. Residents must provide proof of residency onsite in order to print their badge. Students must bring ID. Please contact TMI at 332-910-9600 with registration questions. All members must be either paid in full for 22-23 dues or must be on auto pmt to register at the NYSPMA membership rate for the NY23 Clinical Conference.

This year, registrations will only be accepted online. If you are having difficulty registering online, please call the NYSPMA office.

Conference Confirmation

Confirmation letters will be e-mailed following receipt of your registration. An email address will be required for registration. All communication will take place via email.

CONFERENCE BADGES

Conference badges may be printed onsite at the conference using the bar code included on your confirmation email or by looking up your last name at the badge kiosks. No badges or materials will be mailed.

Nondiscrimination

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

WEATHER

The Foundation for Podiatric Medicine hopes to provide a safe educational experience for all its attendees. In the event of inclement weather, attendees are encouraged to make the best decision related to travel for themselves. The Foundation will scan according to what is published in the onsite brochure.

BECOME AN NYSPMA MEMBER TODAY

The New York State Podiatric Medical Association (NYSPMA) is a tax-exempt not-for-profit, voluntary professional association uniting three of every four doctors of podiatric medicine in New York State. NYSPMA consists of 13 geographically based sub-groups called divisions and is the largest statewide component of the American Podiatric Medical Association (APMA) and its affiliated national network of certifying boards and professional colleges. NYSPMA is made up of dedicated volunteer podiatrists who serve as officers, board members, and committee members. Established in 1895, we were the first organization of its kind in America. We are a strong voice in the state legislature on insurance affairs, medical and hospital practice, managed care, scientific affairs, and public health.

JOIN NOW

Membership in your state and national professional associations strengthens your practice and contributes to the current state of podiatry as well as the future of the profession.

Contact Rashmi Doshi at rdoshi@nyspma.org to become a member today. Join by December 13th and attend the 2023 Clinical Conference for free as a member.

HOW DO WE SERVE OUR MEMBERS?

- **Continuing Medical Education Credits**
Available at our annual clinical conference, as well as division seminars throughout the state.
- **Clinical Conference**
Members attend all three days of lectures free of charge, as well as receive discounts on additional seminars and programs.
- **Insurance Intervention and Representation**
A committee of knowledgeable podiatrists and insurance consultants are available to assist members with insurance issues.
- **Political Action**
Member participation under the guidance of one of New York's top government affairs firms.
- **Communications**
NYSPMA's newsletter, The New York Podiatrist, as well as its website, www.nyspma.org, provide valuable and pertinent information to members on every aspect of their practice.
- **Legal Resources**
Members have the ability to enroll in the Podiatry Protection Program, a valuable program that provides legal coverage on a variety of issues, as well as access to a continuously updated Legal Resource Manual.

CHECK YOUR EMAIL!

Keep an eye out for email updates with faculty, programing and social event updates.
ALL conference communication, including registration confirmation and badge information, will be delivered via email this year.
