

DONALD AND BARBARA
ZUCKER SCHOOL of MEDICINE
AT HOFSTRA/NORTHWELL.

A stylized illustration of a lighthouse on the left side of the poster. The lighthouse is purple and white with three windows. The background is a gradient of orange and yellow, with a white path leading from the bottom towards the lighthouse. There are also some stylized birds in the sky.

2024 SHINING THE LIGHT ON WOUND AND DIABETIC FOOT CARE Symposium

Friday, January 19, 2024 &
Saturday, January 20, 2024
7am to 6pm

New York Marriott Marquis
Times Square, NYC

Scan for more
information

This activity was planned by and for the health care team, and learners will receive 15.75 interprofessional continuing education (IPCE) credits for learning and change.

IPCE CREDIT™

PROGRAM AGENDA

NY24 Podiatric Clinical Conference & Exhibition

Day 1 – Friday, January 19, 2024

| | |
|--------------------------|---|
| 7am | Registration |
| LECTURES/WORKSHOP | |
| 7:45am | Introduction Alisha Oropallo, MD, FSVS, FACS |
| 8am | Classification and Stratification of Diabetic Foot and Ankle Pathology Allen M. Jacobs, DPM, FACFAS |
| 8:20am | Global Crisis in Diabetes: What Can We Do About It? Rodica Pop-Busui, MD, PhD |
| 8:40am | Update on the Management of Diabetes & the Management of Patients With Foot Complications Rodica Pop-Busui, MD, PhD |
| 9am | Guidelines for the Evaluation and Management of Charcot’s Joint Disease Allen M. Jacobs, DPM, FACFAS |
| 9:20am | A New Charcot Classification with Clinical Correlation Guido LaPorta, DPM, MS, FACFAS |
| 9:40am | Bone Physiology in Charcot Neuroarthropathy Allen M. Jacobs, DPM, FACFAS |
| 10am | Morning break |
| 10:30am | Report of New York State Board of Podiatry |
| 11am | Guidelines for the Management of Infection in the Diabetic Foot Allen M. Jacobs, DPM, FACFAS |
| 11:20am | TBD Marcia Epstein, MD |

PROGRAM AGENDA

NY24 Podiatric Clinical Conference & Exhibition

Day 2 – Saturday, January 20, 2024

| | |
|--------------------------|--|
| 7am | Registration |
| LECTURES/WORKSHOP | |
| 7:45am | Introduction Alisha Oropallo, MD, FSVS, FACS |
| 8am | Challenging Cases: Managing Lymphedema and Surgical Options Kuldeep Singh, MD, RPVI, FACS |
| 8:15am | Fluorescent Imaging: What Can it Tell us Kane A. Genser, MD |
| 8:30am | Atypical Wounds: Strangely Common Christina Del Pin, MD, FACS |
| 8:45am | Palliative Wounds Jill DeMayo, MSN, AGNP-C |
| 9am | Keynote presentation: Diabetic Neuropathy Lessons Learned and Steps for the Future Rodica Pop-Busui, MD, PhD President, Medicine and Science The American Diabetes Association |
| 9:45am | Updates in New Medications for the Treatment of Diabetes Rifka C. Schulman-Rosenbaum, MD, FACE, FACP |
| 10am | Break for Exhibit Hall |
| 10:30am | The Importance of Wound Hygiene Meghan Knol, MD |
| 10:45am | Persons With Diabetes and Wounds: Lets Talk About Nutrition Karina Karas, MS, RD, CDN, NWCC |
| 11am | 3D printing, AI, and Wound Care: Where are we Going? Amanda Beneat, MD, MHA |
| 11:15am | Quality Measures in Wound Healing: Do we Have an Answer Yet? Devendra Brahmbhatt, MD |
| 11:30am | Surgical Burn Management Michael Cooper, MD |

PROGRAM AGENDA

NY24 Podiatric Clinical Conference & Exhibition

| | |
|----------------|---|
| 11:45am | Decongestive Therapy for Lymphedema Soyeon Jo, DPT, CLT, WCC, CORE |
| 12pm | Lunch break |
| 1pm | Bedside Vascular Assessments: Managing Complex Cases Michael Petersen, MD Ken Goldstein, MD Aditya Rachakonda, MD Elizabeth Grahn, NP, CWON* |
| 2pm | Compression & Offloading Techniques Hands-on Workshop Ann Marie Lanza, NP, CWON Asha Gallagher, PT, DPT, MBA, WCC, CEAS, CPXP* Delphia Hator, NP, CWON Dorothy Michaels, MSN, AGPCNP-BC, RN, WOCN, WON-C |
| 3pm | Break for Exhibit Hall |
| 3:30pm | Staging, NPWT, and Dressings Management Hands-on Workshop Ernest Fabros, PT, DPT, SCCE, CSPHC, WCC, CCS* Luz Marina Pena, PT, DPT, GCS, WCC, CEEAA Karina Gutierrez, MSN, CWOCN, AGPCNP-BC, RN |
| 4:30pm | Debridement & Biopsy Hands-on Workshop Steven McClain, MD |
| 5:30pm | Closing statements Alisha Oropallo, MD, FSVS, FACS |

To register

COURSE DIRECTOR

Alisha Oropallo, MD, FACS, FSVS, FAPWCA, FABWMS*
Program Director, Wound and Burn Fellowship, Northwell Health
Director, Department of Vascular and Endovascular Surgery
Comprehensive Wound Care Center, Northwell Health
Professor, Surgery
Zucker School of Medicine
Professor, Feinstein Institutes for Medical Research

* Planning committee

** Symposium reviewer

PLANNING COMMITTEE MEMBERS

Caterina DeMatteis

Program Manager
Department of Surgery
Northwell Health

**Asha Gallagher, PT, DPT, MBA,
WCC, CEAS, CPXP**

Director, Rehabilitation Services
Long Island Jewish Valley Stream

Delphia Hator, MSN, FNP-BC, CWON

Advance Clinical Provider Navigator
Wound Care Specialist
Staten Island University Hospital

**Christopher R. Jackson, BSN,
RN, CWCN, CHRN, AMB-BC****

Clinical Program Manager
Department of Surgery
Northwell Health

Karina Karas, MS, RD, CDN, NWCC

Registered Dietitian
Phelps Hospital

Amit Rao

Project Coordinator
Investigator Initiated Studies
Comprehensive Wound Care Center

Navpreet Shah, MBA, PA-C

ACP Supervisor
Department of Surgery/
Surgical Critical Care/ENT
North Shore University Hospital

FACULTY

Amanda Beneat, MD, MHA

General Surgery Resident
NYU Langone Hospital - Long Island
Visiting Scholar
Northwell Health

Devendra Brahmhatt, MD

Medical Director
Wound Care & Hyperbarics
Long Island Jewish
Valley Stream

Michael Cooper, MD

Director, Burn Unit
Staten Island University Hospital

Joseph D'Amico, DPM, DSc

Professor and Past Chairman
Division of Orthopedic Sciences

Division of Endocrinology
Northwell Health
Associate Professor
Zucker School of Medicine

Kuldeep Singh, MD, RPVI, FACS
Vascular and Endovascular Surgery
Director, Inpatient
Non-Invasive Laboratory
Staten Island University Hospital
Assistant Professor, Surgery

* Planning committee

** Symposium reviewer

2024

SHINING THE LIGHT ON WOUND AND DIABETIC FOOT CARE Symposium

To register

Statement of need: Diabetes is an insidious disease affecting nearly 40 million Americans, with an estimated 30 million Americans yet to be diagnosed. Untreated diabetes can lead to multiple complications affecting most body systems, many of which are treated by wound care specialists. New technologies, treatments, and clinical guidelines are continuously updated or developed to further one's ability to provide optimal care to this population. This requires providers to stay current in their practice to provide the most optimal care, resulting in the best possible outcomes for the patient. Wound care is multidisciplinary, thus requiring an all-encompassing educational symposium capable of disseminating current information to all.

Program objectives: All Northwell Health CME activities are designed to improve patient care, safety and outcomes. At the conclusion of this conference, participants should be able to:

- **Apply** current treatment guidelines to the care of a patient with diabetes.
- **Assess** the nutritional needs of the patient with diabetes.
- **Develop** skills to perform lower extremity assessments on the patients with diabetes.

Target audience: This activity was planned by and for MDs, PAs, NPs, RDs, DPMs and PTs. All other members of the health care team who are interested in wound and diabetic foot care, including DTRs, residents, fellows, medical students and Northwell retirees, are invited to attend.

Joint accreditation statement: In support of improving patient care, this activity has been planned and implemented by **Northwell Health and The Foundation for Podiatric Medicine**. Northwell Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Credit designation statements:

- **Physicians:** Northwell Health designates this live activity for a maximum of 15.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
- **Nurses:** Northwell Health designates this activity for 15.75 ANCC contact hours.
- **Physician assistants:** Northwell Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME criteria. This activity is designated for 15.75 AAPA Category 1 CME credits. PAs should claim only credit commensurate with the extent of their participation.

- **Physical therapy credit designation:** Long Island Jewish Medical Center, a member of Northwell Health, is recognized by the New York State Education Department's State Board for Physical Therapy as an approved provider of physical therapy and physical therapist assistant continuing education. This event is awarded a maximum of (PENDING APPROVAL) contact hours. Please note the total number of contact hours will vary depending upon the participant track selection. Participants should claim only credit commensurate with the extent of their participation in the activity. Certificates of completion will be emailed to participants of the corresponding disciplines after the event.
- **Registered dietitians and dietetic technicians, registered:** Northwell Health designates this activity for 15.75 CPEU contact hours. RDs and DTRs are to select activity type 102 in their activity log. Sphere and Competency selection is at the learner's discretion.
- **Podiatry credits:** The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a maximum of 15.0 continuing education contact hours (CECH) if both days of the symposium are attended in full.

Disclosure policy: Northwell Health adheres to the ACCME's Standards for Integrity and Independence in Accredited Continuing Education. Any individuals in a position to control the content of a CME-CE activity, including faculty, planners, reviewers or others are required to disclose all financial relationships with ineligible companies. All relevant financial relationships have been mitigated prior to the commencement of the activity.

Registration fees:

| | | | |
|-------------------------|-------|--------------------------|------|
| Northwell employees | \$250 | Residents, fellows | Free |
| Non-Northwell employees | \$250 | Medical/Nursing students | Free |

Register online: Seating is limited — register early.

Cancellation policy: Registration fees are refundable, minus a \$79 administrative fee, when requested in writing on or before Friday, December 15, 2023. Registration fees are not refundable after this date. Please contact the Foundation for Podiatric Medicine office at nyclinicalconference@nyspma.org if you are having difficulty registering.

Americans with Disabilities Act (ADA): This conference is in compliance with provisions of the ADA and is accessible for individuals with special needs. If you would like to attend this conference and require any special accommodations, please contact us at (516) 321-8360.

Hotel reservations: For more information about [hotel reservations and discounts](#).
