After a very successful return to an in-person Podiatric Clinical Conference & Exhibition Conference for NY23, we are thrilled to be coming back together again for the NY24 Clinical Conference and Exhibition from Jan. 18-21, 2024. We are planning a very robust agenda including diabetes care, the latest surgery updates, hands-on trainings and coding and billing pearls we all need to have a thriving practice. We are expecting more exhibitors in 2024 than ever before, too, in the BEST exhibit hall in the podiatric industry.

In collaboration with Northwell Health, NY24 will be hosting the Shining A Light on Wound and Diabetic Foot Care Symposium for podiatrists, nurses, nurse practitioners, physician assistants, and all medical professionals who work with the diabetic population. It will be the first time since 2019 that The Foundation will include programming for non-podiatrists. We are so excited and honored that Northwell Health sought to collaborate on this symposium with The Foundation. Not only will it be a "can't miss" for our podiatrist attendees, it will be a great opportunity to invite non-podiatrist colleagues and staff to attend NY24. Credits for non-podiatrist attendees will be provided through Northwell Health.

As always, we ask that you keep an eye on the conference website nyspma.org/ny24 and register today for all the latest NY24 information, exhibitor and sponsor updates and the continually evolving program.

Don't miss out on the chance to get your CMEs in the best city in the world - NYC. NY24 will be a conference you won't forget. We can't wait to see you all again!

EDUCATIONAL OBJECTIVES

At the conclusion of this program, attendees will be able to:

- list four procedure codes associated with the provision of routine foot care;
- differentiate between nail debridement and nail trimming;
- cite New York’s Medicare Administrative Contractor;
- cite New Jersey’s Medicare Administrative Contractor;
- list the class findings associated with routine foot care;
- define “dystrophic”;
- define “episode of care” as it relates to wound care;
- list three examples of “conservative” wound care;
- differentiate between nail avulsion and nail excision;
- list two reasons why it may be medically necessary to repeat a toenail avulsion on the same toe in under eight months;
- repeat the AMA CPT Editorial Panel definition of “bunionectomy”;
- list two lower extremity applications of noncontact near-infrared spectroscopy;
- list the bones that constitute the hallux interphalangeal joint;
- list two potential locations of pre-ulcerative toe calluses that are not on the distal phalanx;
- list two examples of “moderate” risk as it applies to evaluation and management coding; and
- differentiate between “acute” and “chronic” as those terms apply to evaluation and management coding.

RESIDENCY AND FELLOWS FORUM: COMPLICATIONS SEMINAR
Submit your program's most complicated case today!**

The Foundation for Podiatric Medicine is pleased to announce that we will be hosting a Complications Seminar from 8am-3pm on Saturday, January 20th as part of the 2024 New York Clinical Conference. Past year's Complications Seminar have been greeted with tremendous enthusiasm and serves as an opportunity to highlight the great training our students, residents and fellows receive.

Take part in this annual interactive program as local residency programs present their complications and how they are treated. Plus, take advantage of the opportunity to give programs your insight on how to resolve their complications. Residents from the Tri-State area and beyond are invited to present on any type of complication from surgical, medical or diagnostic issues. Open discussion and questions will be encouraged. The audience may also bring complications that can be discussed as a group for treatment consensus or opinions.

Residency Directors and/or Assistant Directors are encouraged to attend and participate. All Residency Directors/Assistant Directors must be registered for NY24 in order to attend the Complications Seminar.

GROUND RULES

1. Residents may present a case complication via PowerPoint in one of three topics: Surgical, Medical, or Diagnostic
2. Each residency program is limited to ONE case presentation, limited to 10-15 minutes.
3. A diagnostic dilemma should be identified in each case. We will then have an interactive discussion for 5-10 minutes led by Foundation Board Directors.
4. Cases with some follow-up are encouraged, as they will foster a richer discussion.

Proposals should include the title of your presentation, a brief synopsis (500 words or less), name(s) of resident(s) presenting, and name of residency program. PROPOSALS FOR PRESENTATIONS SHOULD BE SENT TO nyclinicalconference@nyspma.org BY FRIDAY, NOVEMBER 17, 2023. The Seminar will be open to all conference attendees, with a special invitation extended to current students. Sleeping rooms will be provided on either Friday, 1/19 or Saturday, 1/20 at the NY Marriott Marquis by The Foundation for Podiatric Medicine to the presenters of the first five cases submitted.

Don't miss out on the chance to present on the main stage at the best podiatric conference in the country! Please email Allison Hogan at nyclinicalconference@nyspma.org with any questions.

CONTINUING EDUCATION

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a maximum of 25.5 continuing education contact hours (CECH)*.

In accordance with the requirements of the Council on Podiatric Medicine, the Foundation is required to monitor educational session attendance for verification of CECH.

*This number is based on attendance at all general lectures and the two pre-conference seminars taking place on Thursday.

CECH Sign-in/Scanning Policy

Badges are bar coded with your personal information and must be scanned.

To ensure that the Foundation continues to provide you with a meaningful educational program, all attendees will be required to complete an electronic meeting evaluation in order to receive a CECH certificate and verification form. This form will be distributed via email following the conference. By registering, you are consenting to fill out an electronic evaluation survey.

Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate.

Meals

Breakfast and lunch are designed to be free time for attendees to visit with exhibitors or attend ancillary sessions. Educational and non-educational sponsored lunches may be available each day for pre-registration. Please check www.nyspma.org/ny24 for updates and to register online.

Sleeping Rooms: \$237.00 s/d + tax

A block of sleeping rooms has been reserved at the New York Marriott Marquis for NY24 attendees. Rooms may be reserved until Tuesday, December 26, 2023 or until block is filled. Mention New York Podiatric Clinical Conference to receive our special conference rate.

NOTICE: UNAUTHORIZED COMPANIES SOLICITING HOUSING FOR THE NY24 Clinical Conference and Exhibition (Also known as "Room Block Pirates")

It has come to our attention that unauthorized companies are contacting NY24 Clinical Conference attendees, offering hotel reservations for our events.

Please be advised that the only company authorized to arrange hotel reservations for our meetings are the NY Marriott Marquis through channels provided exclusively from the Foundation for Podiatric Medicine publications and emails. We do not solicit reservations by phone and will never contact you that way, or via fax form.

Conference Registration

Registration and attendance is restricted to NY24 exhibitors, lecturers, Podiatrists, Podiatry residents, enrolled Podiatry students, nurses, nurse practitioners, nutritionists, MDs, DOs, social workers, and their registered guests. Registration fees are refundable, minus a \$79.00 administrative fee, when requested in writing on or before Friday, December 15, 2023. Registration fees are not refundable after this date. Residents must provide proof of residency onsite in order to print their badge. Students must bring ID. Please contact NYSPMA at 212-996-4400 with registration questions. All members must be either paid in full for 23-24 dues or must be on auto pmt to register at the NYSPMA membership rate for the NY24 Clinical Conference.

This year, registrations will only be accepted online. If you are having difficulty registering online, please call the NYSPMA office.

Conference Confirmation

Confirmation letters will be e-mailed following receipt of your registration. An email address will be required for registration. All communication will take place via email.

CONFERENCE BADGES

Conference badges may be printed onsite at the conference using the bar code included on your confirmation email or by looking up your last name at the badge kiosks. No badges or materials will be mailed.

Nondiscrimination

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

WEATHER

The Foundation for Podiatric Medicine hopes to provide a safe educational experience for all its attendees. In the event of inclement weather, attendees are encouraged to make the best decision related to travel for themselves. The Foundation will scan according to what is published in the onsite brochure.

NYSPMA member registrants, please carefully read the following stipulations:

All NYSPMA members must be either paid in full for 23-24 dues or must be on auto payment to register at the NYSPMA member rate for the NY24 Clinical Conference.

A survey linked to CECH letters will be sent out no later than March 1, 2024 to all conference attendees. All NYSPMA membership dues must be paid in full for the 2023-2024 fiscal year in order for those who registered as NYSPMA members to receive their CECH certificate for NY24.

If you have any questions regarding dues payments, please call 646-525-4888.

BECOME AN NYSPMA MEMBER TODAY

The New York State Podiatric Medical Association (NYSPMA) is a tax-exempt not-for-profit, voluntary professional association uniting three of every four doctors of podiatric medicine in New York State. NYSPMA consists of 13 geographically based sub-groups called divisions and is the largest statewide component of the American Podiatric Medical Association (APMA) and its affiliated national network of certifying boards and professional colleges. NYSPMA is made up of dedicated volunteer podiatrists who serve as officers, board members, and committee members. Established in 1895, we were the first organization of its kind in America. We are a strong voice in the state legislature on insurance affairs, medical and hospital practice, managed care, scientific affairs, and public health.

JOIN NOW

Membership in your state and national professional associations strengthens your practice and contributes to the current state of podiatry as well as the future of the profession.

Contact Rashmi Doshi at rdoshi@nyspma.org to become a member today. Join by October 1 and attend the 2024 Clinical Conference for free as a member.

How Do We Serve Our Members?

- Continuing Medical Education Credits**
 Available at our annual clinical conference, as well as division seminars throughout the state.
- Clinical Conference**
 Members attend all three days of lectures free of charge, as well as receive discounts on additional seminars and programs.
- Insurance Intervention and Representation**
 A committee of knowledgeable podiatrists and insurance consultants are available to assist members with insurance issues.
- Political Action**
 Member participation under the guidance of one of New York's top government affairs firms.
- Communications**
 NYSPMA's newsletter, The New York Podiatrist, as well as its website, www.nyspma.org, provide valuable and pertinent information to members on every aspect of their practice.
- Legal Resources**
 Members have the ability to enroll in the Podiatry Protection Program, a valuable program that provides legal coverage on a variety of issues, as well as access to a continuously updated Legal Resource Manual.
