

FACULTY

ERIC SIETELMAN, MD

Licensure: Board Certification: American Board of Foot & Ankle Surgery - 1986.

American Board of Podiatric Medicine 2000

Pennsylvania College of Podiatric Medicine DPM, awarded 1982.

Post Doctoral Training:

1982-1984 Foot and Ankle Surgery Resident, Parkview

Hospital/Pennsylvania College of Podiatric Medicine, Philadelphia, Pennsylvania.

Academic Appointments:

February 1, 2002 –Present: Clinical Assistant Professor of Podiatry in Surgery, Cornell University Medical College, New York.

Hospital Appointments:1992-2020: Chief of Foot Surgery and Podiatric Services, Flushing Hospital Medical Center.

April 28, 2008-August 2022: Director, Podiatric Medical Education, New

Steve McClain, M.D.

Owner McClain Laboratories

Grant/Research Support-McClain Labs

EDUCATION:

Undergraduate: Northeast Missouri State University, Kirksville MO, August 1972 to May 1974.

Southwest Missouri State University, Springfield MO, August 1974 to May 1977.

BS Biology, May 1976, Summa cum Laude

Medical School, University of Missouri, Columbia MO, August 1977 to May 1982.

POST-GRADUATE TRAINING and PROFESSIONAL

APPOINTMENTS:

Student Fellow in Pathology, University of Missouri-Columbia, June 1979 to June 1980.

Residency in Anatomic and Clinical Pathology, Medical Center Hospital of Vermont, Burlington, VT, July 1982 to June 1986.

Dermatopathology Fellowship (Chief Fellow), New York University, New York, NY, April 1992 to March 1993.

Medical Director, Founder, Owner, McClain Laboratories, LLC, January 2004 to present.

Michael Trepal, DPM

VP Academic Affairs and Dean at NYCPM part of Touro University.

Asst Professor of Surgery at NY Medical College. Section Chief for

Podiatry Metropolitan Hospital

Program Director PMSR SUNY Downstate.

Russell Volpe, DPM

Distinguished podiatric physician and educator specializing in podopediatrics with over 40 years of experience. He is a Professor and former Chair of Pediatrics and Orthopedics at the New York College of Podiatric Medicine (NYCPM), has a private practice in New York, and has co-edited Introduction to Podopediatrics. Dr. Volpe is a frequent lecturer, author, and expert in foot and ankle conditions affecting children.

MEMORIAL

AUTUMN SYMPOSIUM

SUNDAY:

November 16, 2025

9:00AM-5:00PM

Hendrick's Tavern

1305 Old Northern Blvd.

Roslyn, NY 11576

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between The Foundation for Podiatric Medicine and The Nassau Division of NYSPMA. The Foundation for Podiatric Medicine is accredited by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine.

PROGRAM OBJECTIVE

This full day seminar targeted to Podiatric physicians will present innovative philosophies for evaluating and treating typical as well as atypical disease entities in the podiatric patient population.

****7.0 CME CREDITS APPLIED FOR****

Approval Statement

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between The Foundation for Podiatric Medicine and The Nassau Division of NYSPMA. The Foundation for Podiatric Medicine is accredited by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine.

Non-Discrimination Statement

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

Disclosure: Each speaker is required to disclose the existence of any financial and/or other relationships (e.g., employee, consultant, speaker's bureau, grant recipient, research support) s/he might have with (a) the manufacture(s) of any commercial product(s) to be discussed during his/her presentation and/or (b) the commercial contributor(s) of the activity. Any such conflict will be announced by the individual introducing the speaker or by the speaker immediately preceding the lecture.

Mission of the Foundation for Podiatric Medicine's Education Seminars and Conferences

The Foundation for Podiatric Medicine's educational mission is to promote continuing education in podiatric medicine, podiatric surgery, and practice management through workshops and seminars. Our commitment is to increase knowledge by offering every registrant the educational assistance needed to improve care for their patients and be successful in practice by promoting the benefits of scientific advancement in the treatment, prevention, and alleviation of podiatric ailments.

SCHEDULE

8:30-9:00AM: REGISTRATION SIGN IN & BREAKFAST WITH EXHIBITORS

9:00-9:30AM: VASCULAR

BY: GREGG LANDIS, MD

Understand protocol and techniques for revascularization to lower extremities
Q&A

9:30-10:00AM: VASCULAR

BY: GREGG LANDIS, MD

Discuss the role vascular optimization in limb salvage and healing foot and ankle ulcers
Q&A

10:00-10:30AM: DIAGNOSIS OF MELANOMA

BY: BRYAN MARKINSON, DPM

Review proper biopsy technique and management when diagnosing melanoma
Q&A

10:30-11:00AM: SURGICAL TREATMENT OF MELANOMA

BY: ERIC SIETELMAN, MD

Review and learn the standard of care for surgical treatment of melanoma. Understand options to optimize patient outcomes
Q&A

11:00-11:30AM: Complications of Bunion Surgery

BY: MICHAEL TREPAL, DPM

Review various surgical techniques, pre-operative testing, and patient optimization to salvage bunion surgery complications.
Q&A

11:30-12:00pm: PEDIATRICS

BY: RUSSELL VOLPE, DPM

Understand indications for orthotics, braces, and shoes in this patient population. Review biomechanical exam pearls.
Q&A

12:00-1:00PM: LUNCH WITH EXHIBITORS

1:00-1:30PM: ADULT BIOMECHANICS

BY: ROBERTA NOLE, DPM

Review gait observations and biomechanical influences on pathology of the foot and ankle. Discuss custom orthotic prescriptions.
Q&A

1:30-2:00PM: PEDIATRIC BIOMECHANICS

BY: ROBERTA NOLE, DPM

To know and review biomechanics of pediatric patients. Review pediatric orthotic and brace indications.
Q&A

2:00-2:30PM: FOLLOW THE YELLOW BRICK ROAD

BY: JOHN COZZARELLI, DPM

Review the progressive nature of gout and understand optimal management of this chronic inflammatory disease beyond acute stages in the foot and ankle.
Q&A

2:30-3:00: GOUT

BY: JOHN COZZARELLI, DPM

Discuss medical management options for gout and how to educate our patients
Q&A

3:00-3:30PM: GOUT

BY: JOHN COZZARELLI, DPM

Understand systemic management of gout to optimize overall patient health and discuss the influence it can have on improving foot/ankle biomechanics
Q&A

3:30-4:00PM: DERMATOPATHOLOGY

BY: STEVE MCCLAIN, MD

Review diagnostic methods for various skin, nail, and soft tissue conditions.
Q&A

4:00-4:30PM: COMMON BIOPSY TECHNIQUES

BY: WILLIAM SCHERER, DPM

To understand various biopsy techniques to achieve a more accurate diagnosis.
Q&A

4:30-5:00PM: BIOPSY TECHNIQUES PART 2

BY: WILLIAM SCHERER, DPM

To review the standard of care with biopsy techniques and guide patient treatment accordingly.
Q&A

Q&A

5:00-5:15PM: ATTENDANCE SIGN OUT & CLOSING REMARKS

FACULTY

Bryan C. Markinson, D.P.M.

Bryan C. Markinson, DPM is currently Associate Professor and Chief of Podiatric Medicine and Surgery in the Leni and Peter W. May Dept. of Orthopedic Surgery of the Icahn School of Medicine at Mount Sinai in New York City. He is certified by the American Board of Podiatric Medicine. He also is an instructor in the Department of Dermatologic Surgery and Team member in the Skin Cancer and Melanoma Unit of the Tisch cancer center at the same institution. He is a former Fellow in the department of Dermatopathology at the University of Medicine and Dentistry of New Jersey, from Sept. 1993 thru June 1995, under the direction of W. Clark Lambert, MD, PhD. Shortly thereafter, Dr. Markinson founded the Podiatric Pathology service at the Mount Sinai School of Medicine. Dr. Markinson is a past president of the American Society of Foot and Ankle Dermatology, and has been a trustee of the Council for Nail Disorders since 2004. His areas of special interest are pedal melanoma, soft tissue masses, pedal dermatitis, melanonychia striata, and podiatric dermatological risk management.

Gregg Landis, MD

EDUCATION:

Rutgers University, New Brunswick, New Jersey, B.S. with Honors awarded May 1991.
Rutgers University- New Jersey Medical School, Newark, New Jersey, M.D. awarded May 1995.

William P. Scherer, D.P.M., M.S.

Dr. William Scherer is board certified by the American Board of Foot & Ankle Surgery. He has won numerous JAPMA Stickel awards for research on onychomycosis. He maintained a private practice in South Florida since 1991. Served 17 years as an adjunct professor at Barry University School of Podiatric Medicine. He is also the Senior Podiatric Medical Advisor for Bako Diagnostics.

John Cozzarelli, DPM

Education

Long Island University and Arnold Marie Schwartz College of Pharmacy in Brooklyn, NY. BS Pharmacy.
New York College of Podiatric Medicine (1987)
Residency Training: New York College of Podiatric Medicine and Affiliated Hospitals and Institutions in New York City.
Board Certified in Podiatric Surgery in 1991, by the American Board of Podiatric Surgery. Recertified in foot surgery in 2000.

Roberta Nole, MA, PT, CPed

Owens and operates Stride, Inc. Custom Foot Orthotics, and Stride Physical Therapy and Pedorthic Center in Middlebury, CT. A graduate of the University of Scranton, where she received a Bachelor's degree in biochemistry; and a graduate of the University of Connecticut where she received a Master's degree in Sports Medicine and a Bachelor's degree in Physical Therapy. She received her certification in Pedorthics in 1992 at Northwestern University. She has developed a clinical specialty in biomechanical foot and ankle examination and orthotic treatment and has been practicing in this area for 30 years. She is a published author on this subject in Orthotics & Prosthetics in

Rehabilitation, and has lectured internationally on foot biomechanics. She has written and instructs a continuing education lecture series based on basic and advanced level biomechanical foot and ankle concepts and evaluation methods. Her advanced level programs are original in content and are based on her novel patented methods of foot assessment, identifying a methodology for classification of 24 adult foot types. She is a member of the American Physical Therapy Association, and the Pedorthic Footwear Association and is a fellow of the American Academy Podiatric Practice Management and American College of Foot and Ankle Pediatrics
