ABOUT NY26

We invite you to join us at the NY26 Clinical Conference, taking place from January 22-25, 2026.

This is the premier education conference for Podiatric medicine and surgery. The Clinical Conference is provided through the hard work and dedication of the Foundation for Podiatric Medicine and the New York State Podiatric Medical Association.

The Clinical Conference will provide the most up-to-date medical and surgical advances for the podiatric profession. Tremendous learning opportunities await you in the lecture track and workshops. We will also provide an in-depth coding seminar open to all attendees. Once again this year, the NY podiatric surgical residents will present a lecture series regarding complications in surgeries and medicine. The exhibit hall will be filled with vendors, providing opportunity to gain experience on the newest products and innovations for the podiatric profession.

We as podiatrists should be lifelong learners. This conference will provide numerous opportunities to enhance our medical and surgical knowledge which will afford us the ability to improve the treatment and care for our patients.

The Foundation for Podiatric Medicine and the New York State Podiatric Medical Association look forward to seeing everyone at the conference.

Please visit www.nyspma.org/ny26 for the latest information regarding the conference and related events. Thank you for attending and making this year's conference a success.

Daniel B. Keating, DPM
President, Foundation for Podiatric Medicine

BOARD OF DIRECTORS

Risk Management Lecture
Sponsored by PICA

9:00am – 10:00am

Evaluation and Treatment of Progressive Collapsing Foot Deformity

- Role of Calcaneal Osteotomies
- Equinus: Is it Always Necessary to Treat?
- Role of Medial Column Instability
- Single, Double or Triple Arthrodesis

Moderator: Allen M. Jacobs, DPM

Panelists: Jack Schuberth, DPM; Jordan Grossman, DPM, Adam Bitterman, MD; Geoffrey Philips, MD; Mike Lee, DPM

10:00am – 10:30am

BREAK FOR EXHIBIT HALL

10:30am – 12:00pm

Current Controversies in Foot Fractures

- Talar Neck Fractures
- Neglected/Malunion Calcaneal Fractures
- 5th Metatarsal Fractures
- Lisfranc Injuries

Moderator: Allen M. Jacobs, DPM

Panelists: Jack Schuberth, DPM; Jordan Grossman, DPM, Adam Bitterman, MD; Geoffrey Philips, MD; Mike Lee, DPM

12:00pm – 1:00pm

LUNCH BREAK & EXHIBIT HALL

1:00pm – 2:00pm

Painful Diabetic Peripheral Neuropathy

Speaker: John Steinberg, DPM

2:00pm – 3:00pm

Controversies in Bunion Surgery

- Bunion Surgery in the Juvenile/ Adolescent Patient
- MIS Vs. Open Surgery
- How to Deal With Metatarsus Adductus

Moderator: Kwasi Kwaadu, DPM

Panelists: Jack Schuberth, DPM; Jordan Grossman, DPM, Adam Bitterman, MD; Geoffrey Philips, MD; Mike Lee, DPM

3:00pm – 3:30pm

BREAK FOR EXHIBIT HALL

3:30pm – 5:30pm

Current Controversies in Ankle Fracture Management

- Is Deltoid Repair Necessary?
- Decision-Making in the Perioperative Management
- When and How Should the Syndesmosis Be Repaired?
- What Are Special Considerations in the Management of Ankle Fractures?
- When Do I Repair the Posterior Malleolus?
- What Are the Members Primary Choice of Fixation? When to Use IM Fibula Rod & When to Use Arthroscopic Evaluation

Moderator: Allen M. Jacobs, DPM

Panelists: Jack Schuberth, DPM; Jordan Grossman, DPM, Adam Bitterman, MD; Geoffrey Philips, MD; Mike Lee, DPM

FRIDAY, JANUARY 23 9:00am – 5:00pm

Non-CECH Podiatric Radiography Certificate Program for Unlicensed Individuals

This 8-hour, practice enhancing course is designed to teach participants how to perform a podiatric radiology examination. Presented by New York College of Podiatric Medicine faculty, the class is a full-day hands-on workshop leading to a certificate in radiology. Emphasis will be placed on performing an accurate exam in a manner which is safe for both the patient and the examiner. Basic radiology principles will be reviewed with a special concentration on practical application. At the end of course, upon proving competency, the participant will be certified to take podiatric radiographs under the supervision of a licensed podiatrist and will receive an official certificate from NYSPMA.

Email kwalter@nyspma.org for an application.

Registration materials must be submitted no later than Friday, December 26, 2025 at 5:00pm EST.

**8:00 am-3:00 pm Young Member's Institute: Complications Seminar for Residents
Submit your residency program's most complicated case today!**

The Foundation for Podiatric Medicine is pleased to announce that we will be hosting a Complications Seminar from 8:00 am-3:00 pm on Saturday, January 24th as part of the 2026 New York Clinical Conference. Past year's Complications Seminar have been greeted with tremendous enthusiasm and serves as an opportunity to highlight the great training our students, residents and fellows receive. Take part in this annual interactive program as local residency programs present their complications and how they are treated. Plus, take advantage of the opportunity to give programs your insight on how to resolve their complications. Residents from the Tri-State area and beyond are invited to present on any type of complication from surgical, medical or diagnostic issues. Open discussion and questions will be encouraged. The audience may also bring complications that can be discussed as a group for treatment consensus or opinions. Residency Directors and/or Assistant Directors are encouraged to attend and participate. All Residency Directors/Assistant Directors must be registered for NY26 in order to attend the Complications Seminar.

GROUND RULES

1. Residents may present a case complication via PowerPoint in one of three topics: Surgical, Medical, or Diagnostic
2. Each residency program is limited to ONE case presentation. The management of this case should be consolidated to a 10-minute presentation.
3. A diagnostic dilemma should be identified in each case.
4. Cases with some follow-ups are encouraged, as they will foster a richer discussion.
5. Discussion will occur from both an academic perspective and risk management perspective based on the types of cases presented. Discussion will be split into 10–15-minute sessions following several case presentations. Case presentations will be arranged into blocks to allow for an appropriate amount of time for discussion following the case presentations.

Proposals should include the title of your presentation, a brief synopsis (500 words or less), name(s) of resident(s) presenting, and name of residency program. **PROPOSALS FOR PRESENTATIONS SHOULD BE SENT TO nyclinicalconference@nyspma.org BY FRIDAY, NOVEMBER 14, 2025.** The Seminar will be open to all conference attendees, with a special invitation extended to current students. It is recommended that one representative from each program be present for the entirety of the case presentations out of respect for all programs presenting. Awards will be presented for the 1st, 2nd and 3rd place programs and will be judged by a panel of selected judges. Sleeping rooms will be provided on either Friday, 1/23 or Saturday, 1/24 at the NY Marriott Marquis by The Foundation for Podiatric Medicine to the presenters of the first five cases submitted. Don't miss out on the chance to present on the main stage at the best podiatric conference in the country!

Please email Nora Saari at nyclinicalconference@nyspma.org with any questions.

NON-CECH SPONSORED WORKSHOPS

From Trial to Treatment: STABLECAMP's Role in Modernizing Wound Care Through a Modified Multi-Platform RCT

11:00am – 11:20am

Speaker: David Simon, DPM

The STABLECAMP trial is a multicenter, prospective, randomized controlled study evaluating the treatment of non-healing diabetic foot ulcers (DFUs) and venous leg ulcers (VLUs). STABLECAMP uses a modified multi-platform (Matriarch) design to compare the results of treating these wounds through standard of care (SOC) combined with multiple cellular, acellular, and matrix-like products (CAMPs) versus SOC alone. This adaptive platform enables comparative analysis across diverse graft technologies and supports the inclusion of additional CAMPs over time.

Learning Objectives:

- Introduce the Matriarch Trial Design: Explain how the modified multi-platform structure enables efficient, head-to-head comparisons of multiple wound care technologies within a single study framework.
- Highlight Clinical Relevance: Educate attendees on the burden of chronic DFUs and VLUs, especially in Medicare populations, and the need for scalable, evidence-based solutions.
- Demonstrate Adaptive Research Strategies: Show how flexible trial designs can accelerate innovation and improve access to comparative effectiveness data.
- Share Preliminary Insights: Present early findings or trends (if available) to spark discussion on product performance, healing rates, and operational feasibility.

By

Coding and Biopsy Workshop - Podiatric Dermatology Protocols

1:00pm – 3:00pm

Speaker: TBA

This session incorporates best-practice techniques and highlights the business and clinical management aspects of dermatologic care for the lower extremity. Attendees will learn how to optimize both patient outcomes and practice efficiency through:

- ICD-10 & CPT Coding Pearls – Ensure accurate documentation and capture appropriate reimbursement
- Biopsy Techniques Overview – Review shave, punch, ENFD, needle aspiration, and nail unit biopsy methods
- Onycho-ID™ Testing – Learn how to integrate advanced PCR diagnostics into your workflow
- Practice Management Strategies – Streamline workflows, reduce claim denials, and enhance revenue cycle performance

CONTINUING EDUCATION

The Foundation for Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The Foundation for Podiatric Medicine has approved this activity for a maximum of 24.5 continuing education contact hours (CECH)*. In accordance with the requirements of the Council on Podiatric Medicine, the Foundation is required to monitor educational session attendance for verification of CECH.

*This number is based on attendance at all general lectures and the two pre-conference seminars taking place on Thursday.

CECH Sign-in/Scanning Policy

Badges are bar coded with your personal information and must be scanned. To ensure that the Foundation continues to provide you with a meaningful educational program, all attendees will be required to complete an electronic meeting evaluation in order to receive a CECH certificate and verification form. This form will be distributed via email following the conference. By registering, you are consenting to fill out an electronic evaluation survey.

Each registrant is responsible for reporting his or her attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing them with a copy of your CECH certificate.

Meals

Breakfast and lunch are designed to be free time for attendees to visit with exhibitors or attend ancillary sessions. Educational and non-educational sponsored lunches may be available each day for pre-registration. Please check www.nyspma.org/ny26 for updates and to register online.

Sleeping Rooms: \$251.00 s/d + tax

A block of sleeping rooms has been reserved at the New York Marriott Marquis for NY26 attendees. Rooms may be reserved until Sunday, December 21, 2025 or until block is filled. Mention New York Podiatric Clinical Conference to receive our special conference rate.

NOTICE: UNAUTHORIZED COMPANIES SOLICITING HOUSING FOR THE NY26 Clinical Conference and Exhibition (Also known as "Room Block Pirates")

It has come to our attention that unauthorized companies are contacting NY26 Clinical Conference attendees, offering hotel reservations for our events. Please be advised that the only company authorized to arrange hotel reservations for our meetings are the NY Marriott Marquis through channels provided exclusively from the Foundation for Podiatric Medicine publications and emails. We do not solicit reservations by phone and will never contact you that way, or via fax form.

UNAUTHORIZED EVENTS

It has come to our attention that unauthorized individuals and companies are inviting NY26 Clinical Conference attendees to sponsor and/or attend unsanctioned events. Please note, unsanctioned events created or promoted by vendors or attendees are prohibited. Vendors or attendees who promote or establish unsanctioned events are subject to removal from NY26.

Reserve online or by phone:

<https://book.passkey.com/e/51114957>

If reserving by phone, mention NY Podiatric Clinical Conference when you call to book inside the conference block.

Reservations Toll Free: 1-877-303-0104

Reservations Local Phone: 1-212-398-1900

GUESTS

NYSPMA members may register one family member guest on site only. Guest must be present when registering them. Guests may not be DPMs or office staff. The Foundation reserves the right to cancel guest registrations for anyone not meeting the criteria.

Contact Nora Saari | nsaari@nyspma.org

Conference Registration

Registration and attendance is restricted to NY26 exhibitors, lecturers, Podiatrists, Podiatry residents, enrolled Podiatry students, and their registered guests. Registration fees are refundable, minus a \$99.00 administrative fee, when requested in writing on or before Friday, December 19, 2025. Registration fees are not refundable after this date. Residents must provide proof of residency onsite in order to print their badge. Students must bring ID. Please contact NYSPMA at 212-996-4400 with registration questions. All members must be either paid in full for 25-26 dues or must be on auto payment to register at the NYSPMA membership rate for the NY26 Clinical Conference.

This year, registrations will only be accepted online. If you are having difficulty registering online, please call the NYSPMA office.

Conference Confirmation

Confirmation letters will be e-mailed following receipt of your registration. An email address will be required for registration. All communication will take place via email.

CONFERENCE BADGES

Conference badges may be printed onsite at the conference using the bar code included on your confirmation email or by looking up your last name at the badge kiosks. No badges or materials will be mailed.

Nondiscrimination

No person shall be denied registration or participation in any continuing education program provided by this Foundation for reasons of race, religion, sex, national origin or physical ability.

WEATHER

The Foundation for Podiatric Medicine hopes to provide a safe educational experience for all its attendees. In the event of inclement weather, attendees are encouraged to make the best decision related to travel for themselves. The Foundation will scan according to what is published in the onsite brochure.

Acknowledgements

The Foundation for Podiatric Medicine would like to thank the following people and organizations for their contributions to the 2026 Clinical Conference: Andrew J. Oster Design and Photography, NY College of Podiatric Medicine

BECOME AN NYSPMA MEMBER TODAY

The New York State Podiatric Medical Association (NYSPMA) is a tax-exempt not-for-profit, voluntary professional association uniting three of every four doctors of podiatric medicine in New York State. NYSPMA consists of 13 geographically based sub-groups called divisions and is the largest statewide component of the American Podiatric Medical Association (APMA) and its affiliated national network of certifying boards and professional colleges. NYSPMA is made up of dedicated volunteer podiatrists who serve as officers, board members, and committee members. Established in 1895, we were the first organization of its kind in America. We are a strong voice in the state legislature on insurance affairs, medical and hospital practice, managed care, scientific affairs, and public health.

JOIN NOW

Membership in your state and national professional associations strengthens your practice and contributes to the current state of podiatry as well as the future of the profession.

Contact the APMA Office at 301-581-9200 to become an NYSPMA member today. Join by October 1 and attend the 2026 Clinical Conference for free as a member.

HOW DO WE SERVE OUR MEMBERS?

- **Continuing Medical Education Credits**
Available at our annual clinical conference, as well as division seminars throughout the state.
- **Clinical Conference**
Members attend all three days of lectures free of charge, as well as receive discounts on additional seminars and programs.
- **Insurance Intervention and Representation**
A committee of knowledgeable podiatrists and insurance consultants are available to assist members with insurance issues.
- **Political Action**
Member participation under the guidance of one of New York's top government affairs firms.
- **Communications**
NYSPMA's newsletter, NYSPMA President's Update, as well as its website, www.nyspma.org, provide valuable and pertinent information to members on every aspect of their practice.
- **Legal Resources**
Members have the ability to enroll in the Podiatry Protection Program, a valuable program that provides legal coverage on a variety of issues, as well as access to a continuously updated Legal Resource Manual.

CHECK YOUR EMAIL!

Keep an eye out for email updates with faculty, programming and social event updates. ALL conference communication, including registration confirmation and badge information, will be delivered via email this year.
